As regards the services rendered by the late Khan Sahib Syed Muhammad Hassan Shah and his family, and the circumstances under which the pension of Rs 800/- p.a. was granted to him, please see notes and corres in Ext-A July 1887, Nos 384-387. It will be seen that the A.G.G. proposed that the pension granted should be hereditary. It was however sanctioned for the life -time ϕ of the late Syed only. The A.G.G. now strongly recommends that half the pension enjoyed by the late Syed should be continued to his eldest son Syed Mohi-ud-din Shah, who also like his father is st to be man of considerable influence. In the circumst explained we may support the proposal for the favour consideration of the Finance Deptt.

I think we may do so with the concurrence of Finance Dept. It is in accordance with our practice in similar cases. It would of course take effect from date of sanction
