He said that he was soon going back to Kabul for good (within 20 days at the latest), and he would like to carry these arms himself and deliver them to Muhammad Qasim in Kabul - At present they are stored with the Assistant Political Officer, Ayub Khan Agency, Lahore, whose receipt Muhammad Qasim deposited with him (Afghan Consul General), with authority to release the arms and despatch them to Kabul - As he is now himself going away, it would be a good opportunity to take the arms along with him and make them over to Muhammad Qasim.

Sir,

With reference to the correspondence resting with Major Parson's letter No. D/4123-F., dated the 21st of November 1924, on the above subject, I am directed to say that the Governor in Council was prepared to arrange, (subject, of course, to his personal fitness for the privilege), for the grant of a license in Form XVI to Mohammad Kasim Khan, and that the Administration of the North-West Frontier Province were addressed with a view to ascertaining whether they had any objection to the export of the arms with reference to Section 6 of the Indian Arms Act, 1878. It has now, however, been ascertained that Mohammad Kasim Khan left Lahore for Kabul on the 30th October 1924 and in the absence of any communication from him, the Governor in Council considers further action to be unnecessary. The arms and ammunition in question are in deposit at the office of the Ayub Khan Political Agency at Lahore.

From A. Hussain, Consul General for Afghanistan, in India

To The Honourable Mr D. Bray, Foreign Secretary to the Government of India, Delhi.

Dear Sir,

I have received your D.O. No: 5029-F dated the 29th: December 1924. As you will see from the contents of my letter dated 6th: October 1924, that Mohammad Kasim Khan was desirous to take personally these arms to Kabul and for the very reason I have asked you to arrange ~~to arrange~~ for the necessary license But owing to the lapse of considerable time and non receipt of the required license Mr. Mohammad Kasim Khan returned to his duty to Kabul and the receipt which he had ~~xxxxx~~ received from Mufti Mohammad Azim Khan, Assistant Political Officer, Lahore was given to me with a request to despatch the arms to Kabul when the license is received.

Since then I have sent two letters to the Deputy Comr. Lahore asking him to furnish me with the license but to no avail. I think you will admit that the explanation of the Deputy Commissioner to your address is not satisfactory. Under the circumstances I shall be thankful to you if you will kindly arrange for an early license in order to enable me to despatch the arms to Mohammad Kasim Khan to Kabul without any further delay.
