FRONTIER A, NOVEMBER 1888.

Nos. 167–173.

List of Sardar Ayub Khan's followers in India showing the allowances drawn by each.

FROM POLITICAL AGENT IN CHARGE OF SARDAR MUHAMMAD AYUB KHAN, No. 202, DATED THE 6TH SEPTEMBER 1888.

Forwards a list of Ayub Khan's followers with his recommendations regarding the allowances of the persons who have died, deserted, and who have not joined from Persia.

UNDER-SECRETARY.

1. The complete list of followers drawing allowances from Sardar Ayub Khan, as furnished by General MacLean, shows a total of 353 persons enjoying a sum of ₹19,466 per mensem.

Frontier A, June 1888, Nos. 180-236.

This list is Statement I attached to Captain Gordon's letter.

2. No. II is a list of the recipients of these allowances now alive in India. They number 333 and their stipends amount to ₹18,146 per mensem.

The difference between the above two statements is made up as follows:—

(1) Persons who have died.
(2) „ „ deserted.
(3) „ „ not yet joined.

3. The first of these classes are found in Statement No. III. Four persons in receipt of ₹276 per mensem.

One of the deceased Mir Akhor Abdul Rauf has left a mother, two wives, and some followers unprovided for, and Captain Evans-Gordon recommends that half the dead man's allowance should be continued to these people. This will amount to ₹85, and if sanctioned reduce the saving under Statement III to ₹191 per mensem.

4. The next statement, No. IV, contains the names and allowances of the deserters, ten in all. These have lost all claims and their action results in a saving to Government of ₹816 per mensem.

5. Statement No. V. completes the difference between I. and II. and is made up of the persons who have failed to join up to date. They number six with allowances amounting to ₹228 per mensem. The Sardar is anxious that the names of these men should be retained on the list for the present, and Captain Evans-Gordon recommends the proposal for sanction under certain conditions. He would give them three more months joining time and would give them their allowances from the date of joining if they return within that period of grace. No arrears of pay to be granted, and the names of those who have not returned at the expiration of the three months to be struck off the list.

This may be accepted; the pay for these men which has already been disbursed to Ayub being, as recommended, recovered by short payment.
18th October 1888. W. J. C.

6. There is one other point connected with this statement. One of the absentees Malak Bahadur started with Sardar Ayub Khan, but left him at Baghdad, to go on the pilgrimage. His two brothers and a servant (presumably unpaid followers) however came on to India. Captain Gordon therefore recommends at the Sardar's request that ₹40 out of Malak Bahadur's allowance should be paid for the support of these and others. If Captain Gordons other suggestion regarding the grant of joining time to the men on list V is sanctioned, the financial result of the above additional concession would be as follows. It would reduce the saving from arrears by ₹40 up to the time Malak Bahadur joined, and if he never joins it will still reduce the total possible saving under the head of lapses, from men who failed to come to India, by the same amount.

The proposal is resonable and I would grant it.
18th October 1888. W. J. C.

NATIONAL ARCHIVES OF INDIA

7. To sum up the questions for decision are—

(1) May R35 per mensem be granted to the persons who were dependent on Mir Akhor Abdul* Rauf, deceased.

* Statement III.

(2) May three months' further joining time be allowed to the persons mentioned in Statement V, and the proposal to permit them to draw their allowances from such date as they return within that period, be agreed to.

(3) May R40 per mensem be granted as subsistence allowance to the brothers and followers of Malak* Bahadur out of the sum apportioned to him, the same to be continued whether he return or no.

* Statement V.

8. It is submitted that Captain Gordon's proposals are reasonable. Sardar Ayub Khan appears to be behaving in a straightforward manner regarding the question of these allowances and the concessions proposed are small and the net result is a considerable saving to Government on General MacLean's original estimate in Statement I. To the Financial Department for consideration ?

13th October 1888. J. M. S.

SECRETARY.

I would accept the proposals. With regard to the provision proposed for the family of Mir Akhor Abdul Rauf it is to be noted that General MacLean wrote to Ayub on the 21st December last—

Secret F., March 1888, Nos. 124-275 (No. 228).

"If on the death of any of your adherents the family of the deceased is left in straits, the Government will consider whatever representations you make in this matter."

The Sardar accepted the conditions attaching to the grant of allowances on this understanding and in the present case the consideration proposed by Captain Evans-Gordon is, I think, reasonable.

Secret F., March 1888, Nos. 124-275 (No. 230).

I do not think we need obtain Financial sanction to these orders. It will be sufficient if we communicate the lists and orders to the Accountant-General in this and in all subsequent cases of the kind. But perhaps it will be as well to get the assent of the Financial Department to this course of action.

18th October 1888. W. J. C.

Yes.

20th October 1888. H. M. D.

To Finance Department unofficially.

ASSISTANT SECRETARY.

Submitted for orders. It would be better perhaps for the Foreign Department to send us a copy of its orders for communication to the Accountant-General.

H. H.—*23rd October 1888.*

DEPUTY SECRETARY.

If the proposals (1) and (3) in paragraph 7 of the Foreign Office note of 13th October are accepted, the sanction will form a precedent for the conversion of these allowances from annuities terminable with life of the persons drawing them into hereditary and non-terminable pensions. I do not think that this department has ever considered the propriety of so modifying the character of the allowances.

23rd October 1888. O'C.

HON'BLE MEMBER.

The first proposal seems to me inadmissible in its present form. These grants to Ayub's followers are practically political pensions, and when a political pension lapses it is usual to grant subsistence allowances for life to needy near relatives who require them. I would therefore grant R20 a piece to the mother and two widows of Abdul Rauf. But these grants should be made strictly for life, and on condition that the grantees behave properly and live in such place as the Agent in charge of Ayub may fix. It is also necessary perhaps to make the grants part of the general arrangements in regard to Ayub and liable therefore to end when these general arrangements end. The three grantees' names, ages, and descriptions should be ascertained and recorded. The care of the followers should be left to them and we should have nothing to do with it.

NATIONAL ARCHIVES OF INDIA

(6)

As regards Bahadur Khan I think his grant should absolutely lapse if he fails to appear by the end of the year. Up to the end of the year (if Bahadur Khan continue absent till then) half the pension (=₹35) might be paid to his brothers as subsistence allowance. But this should be withdrawn at the end of the year.

23rd October 1888. R. G. T.

I think it is customary in the case of pensions of this kind to distribute half to the family and dependents in the event of the decease of the pensioner. But the distribution usually is, and certainly should be made piecemeal. To give the ₹85 as here proposed means to give it so long as any one of the women should remain alive. I think, therefore, it should be partitioned, so as to fall in by degrees as they die.

The proposal on the case of Mahtab Bahadur gives ₹40 instead of ₹35. There would no objection to this as a temporary measure, but as it is proposed to continue it indefinitely I think the sum should be ruled by the rule of halves.

NATIONAL ARCHIVES OF INDIA

No. 202, dated Rawal Pindi, the 6th September 1888.

From—CAPTAIN W. EVANS GORDON, Political Agent, in charge of Sardar Muhammad Ayub Khan,

To—The Secretary to the Government of India, Foreign Department.

I have the honor to address you regarding the list of followers which Sardar Ayub Khan is pledged to submit annually.

2. In my letter No. 42, dated 28th May 1888, you were informed that the Sardar had agreed to furnish a correct list of his party at the expiration of two months, and to refund the pay of such persons who might have died or deserted him.

This list has been delayed owing to the outbreak of cholera at Murree. The Sardar was much upset and alarmed at the visitation, and at such a time I did not think it advisable to press him on business matters.

A complete list has, however, now been received, and is herewith submitted for the information of the Government of India.

It would seem desirable to notice the more important changes which have occurred and their financial effect.

3. The list which was furnished to General Maclean in Persia may be modified in the three following respects :—

I.—Persons who have died.

II.—Persons who have deserted.

III.—Persons who have not as yet come from Persia, but who may possibly still join.

4. With regard to the reductions recoverable on account of the persons who have died, the names of the deceased men are specified in the margin, with the amount of the allowance fixed for each. It will be observed that a total sum of Rs. 276 per mensem is saved to Government under this head.

	Per mensem. Rs.
133. Mir Akhor Abdul Rauf ...	170
143. Ghulam Rasul ...	36
64. Ghulam Haidar Khan ...	20
45. Ghilzai Khan ...	50
Total ...	276

I have, however, the honor to observe that the Mir Akhor Abdul Rauf has left his mother, two wives, and several followers unprovided for. It is submitted that these people are entitled to consideration, and I would respectfully recommend that half the allowance of Rs. 170, *viz.*, Rs. 85 per mensem. be continued for their support from the date of the Mir Akhor's death, *viz.*, 8th of June 1888. This provision would satisfy the Sardar, and considering the amount we have recovered and the scrupulously straight forward manner in which Ayub Khan has behaved in the matter of furnishing the list and accepting heavy deductions, I trust my recommendation may be approved. If so, the amount lapsing to Government will be reduced to Rs. 191 per mensem, or Rs. 2,292 per annum.

5. The persons who have deserted are mentioned in the margin. Their allowances, it will be seen, amount to Rs.816. This sum all lapses to Government with arrears.

	Per mesem. Rs.
44. Sardar Abdulla Khan, Nasri ...	700
109. Colonel Musa Khan ...	30
157. Mirza Samunder ...	15
256. Malik Mehrdil Khan ...	18
264. Hikmat Khan ...	8
313. Atta Muhammad ...	9
286. Agha Muhammad ...	9
284. Nur Muhammad ...	9
312. Azad Khan ...	9
285. Satar Muhammad ...	9
Total ...	816

In my letter No. 198, dated 29th August 1888, it will have been observed that a sum of Rs. 4,900 has already been recovered on account of Abdulla Khan, Nasri's pay.

NATIONAL ARCHIVES OF INDIA

6. The names of the persons in class 3 are marginally noted. They have, as a matter of fact, no claim on the Government. They did not come from Persia with Ayub, and their not having done so is probably their own fault. The Sardar is, however, anxious that their names should not as yet be finally struck off the list. He thinks it probable that one, or all of them, may still join him, in which event he would claim their pay from the 1st of January. As remarked in paragraph 4, the Sardar's conduct in the matter of the list has been beyond reproach, and on political grounds it would seem to be desirable to meet his wishes as far as may be possible. I would therefore suggest that a separate list of the men mentioned in class 3 be retained; that three months be allowed for them to join the party at Pindi; and that, should they not come by that time. their names be finally struck off, and their claim to allowances no further considered.

	Per mensem. Rs.
36. Ruhulla Khan ...	40
50. Mirza Habib Khan ...	50
220. Alaman ...	15
144. Mulla Sher ...	35
187. Sipah ...	18
83. Malak Bahadur Khan ...	70
Total ...	228

Their pay from January 1888 up to date which has been made over to Ayub Khan will be deducted under the terms of the receipt forwarded with my letter No. 42, dated 28th May 1888. Should they join within the term (three months) above proposed, their allowances might be paid to them from the date of their arrival. Arrears need not be conceded.

It is submitted (*a*) that there is not much likelihood of these men joining at all; (*b*) that the terms proposed represent an immediate advantage in arrears of Rs. 1,824, and a prospective reduction of Rs. 228 per mensem; (*c*) that the concession would please the Sardar while costing the Government nothing. I therefore venture to recommend the matter for favourable consideration.

7. Among the men mentioned in class III the case of Malak Bahadur Khan needs special mention.

In the original list (No. 83) this man was entered for an allowance of Rs. 70 per mensem. He accompanied Ayub Khan as far as Baghdad, but from there proceeded on a pilgrimage to Mecca, and has not as yet rejoined the party. His brothers, Aghar Khan and Muhammad Hussain, with a servant, however, came on to India. Ayub Khan therefore requests that Rs. 40 out of the Rs. 70 originally granted may be sanctioned for their support.

If Bahadur Khan returns within three months the balance of Rs. 30 per mensem may be alloted for him without arrears. The circumstances of this case are exceptional, and I would respectfully recommend that the Sardar's request be granted.

If so, we shall recover Rs. 30 from the date upon which the Malak left Ayub, *viz.*, the 1st of May last, or Rs. 120, which will lapse to Government.

The total sum recoverable on account of class III will then be reduced to Rs. 188. The immediate advantage in arrears will similarly be reduced to Rs. 1,704.

8. On the arrival of Sardar Sher Muhammad Khan, a revised list of his party will be prepared, and the names of any men who have died or deserted will be struck off.

2. To sum up the whole result under the three heads above referred to, supposing the recommendations contained in this letter to be accepted, Government will recover:—

	Rs. A. P.
Permanently per mensem from 1st September	1,195-0-0
Arrears up to 31st August 1888	8,727-6-0
Prospectively per mensem from 1st December 1888... ...	188-0-0

10. In conclusion I would point out that, when the Sardar arrived in India, it was his intention to press the Government to be permitted to retain the whole amount of the allowances granted to his followers; to make no deductions on account of deaths or desertions; and redistribute the money which

NATIONAL ARCHIVES OF INDIA

might fall in among members of his party and the families of people who might join him from Afghanistan.

The Sardar's reasons were considered plausible by General Maclean, who recommended them for consideration.*

* From General Maclean to Foreign Secretary, No. 18-L. S., dated Meshed, 14th December 1887, enclosure No. 85 to Despatch to Secretary of State, No. 36, dated 13th March 1888.

The question of the list and allowances was therefore in a manner left open, and I trust that its final settlement and the attitude of the Sardar will meet with the approval of the Government of India.

11. Should this letter and the accompanying statement be printed, I have the honor to request that copies may be supplied to me for record in this office.

No. 173.

No. 2508-F., dated Simla, the 2nd November 1818.

From—W. J. CUNINGHAM, Esq., Under-Secretary to the Government of India, Foreign Department,

To—The Political Agent with SARDAR MUHAMMAD AYUB KHAN.

I am directed to acknowledge the receipt of your letter No. 202, dated the 6th of September 1888, submitting a complete list of Sardar Ayub Khan's followers in India, with subsidiary lists showing those who have died or deserted since the Sardar left Meshed, and those who have not yet joined him but who may possibly do so later on.

2. With reference to the list of those who have died, you report that Mir Akhor Abdul Rauf has left his mother, two wives, and several followers unprovided for, and you recommend that the sum of ₹85 per mensem, *i.e.*, half of the allowance granted to the deceased, should be continued for their support from the 8th of July, the date of Abdul Rauf's death. The Governor-General in Council is pleased to accept this proposal; but I am to state that the sum should not be granted to the family *en bloc* but should be equitably divided among the survivors, so that the whole amount may lapse to Government by degrees as they die. I am to request that you will report in what proportions you distribute this allowance.

3. With regard to the six men mentioned as not having yet joined Sardar Ayub Khan from Persia, you are of opinion that there is not much likelihood of their now coming to India at all, but you recommend that their names should be retained on a separate list for three months, and that if, at the expiration of that time they have not arrived at Rawalpindi, their names should be finally struck off, and their claim to allowances be no further considered. The Government of India approves of this proposal on the understanding that in the event of any man joining before the 31st of December 1888, he will be entitled to draw allowances only from the date of his arrival, and that should any of them not join the Sardar by the end of the year the amounts already drawn on their account will be refunded and the names of the absentees be finally struck off the lists.

4. With special reference, however, to the case of Malik Bahadur Khan, one of those who has remained behind in Persia, the Governor-General in Council is pleased to sanction the payment to his brothers, who are with Sardar Ayub Khan, of one-half of the sum of ₹70 per mensem originally sanctioned for Bahadur Khan. This grant is also made on the understanding that the allowance will be equitably distributed, and that on the death or departure from India of either brother, the amount will be proportionately reduced.

No. 2509-F.

Copy of the foregoing, together with a copy of the letter to which it is a reply, is forwarded to the Department of Finance and Commerce.
