NOTES.

Serial Nos. (1)—(9).

LIST OF THE FOLLOWERS OF THE EX-AMIR SARDAR MOHAMMAD YAKUB KHAN, SARDAR MOHBMMAD AYUB KHAN AND OTHERS AND THE QUESTION OF THE REMOVAL OF RESTRICTIONS ON THEIR MOVEMENTS AND THE STOPPAGE OF THE ALLOWANCES ON THE DEATH OF THE PRESENT HOLDERS.

From an examination of the old papers, it appears that the question of repatriation of Afghan refugees in India has been discussed in the past. In this connection attention is invited to

(*i*) notes on pages 1—5 in Progs. F. B., February 1921, No. 20,

(*ii*) S. No. (5) and the relevant notes and demi-official correspondence on pages 4—6 in File No. 388-F./33, and

(*iii*) S. Nos. (2) and (3) and the relevant notes on pages 4—17 in File No. 122-F./28.

It will be observed that in 1923 (page 4 of notes of File No. 388-F./33), H. M.'s Minister, Kabul informed the G. of I. that the then Amir's policy was to get as many of the Afghan refugees in India repatriated as possible, provided the refugees themselves made the first move. In view of this, we notified [Serial No. (5) in File No. 388-F /33] to the Local Governments accordingly and—told them that applications forwarded through proper channel would be considered favourably by the then Amir. As a sequel to this offer, some of the Afghan refugees did apply for repatriation, which was facilitated by us. Again in 1928, the then Afghan Government reiterated their policy enunciated in 1923 and said that if any of the refugees wished to return to Afghanistan, he—had only to apply to an Afghan representative in India for a passport.

2. There are five kinds of Afghan refugees in India (both under Regulation III of 1818 and under executive restrictions) :—

(*i*) Descendants of Amir Sher Ali Khan ; *i.e.*, the sons and grandsons, etc., of the late Sardars Muhammad Yakub Khan (the *ex*-Amir) and Muhammad Ayub Khan,

(*ii*) The followers of the Sardars named in (*i*) above,

(*iii*) Koh-i-Daman refugees about 20 in number, supporters of Bacha Saqqao,

(*iv*) Heinous criminal, *e.g.*, Bang and Co., who were turned out from Afghanistan in 1934 for their lawless habits, and

(*v*) Pro-Amanullah group (*i*) Amin Jan, (*ii*) Abdul Hakim Khan, (*iii*) Abdul Khaliq Khan, (*iv*) Gulam Jilani ; (*iv*) Ghausuddin Khan.

3. These may be dealt with *seriatim* :—

(*i*) While considering the question of the release of Sardar Muhammad Afzal Khan, a grandson of Sardar Md. Ayub Khan, from detention under Regulation III of 1818, the general question of the return to Afghanistan of the descendants of Amir Sher Ali Khan was taken up with the present Afghan Government in 1935, who, for reasons of the former's ambitious propensities for the Afghan throne, strongly opposed (F. 582-N./35) any move in this direction. In the circumstances, the *status quo* should continue unless a change in the attitude defined warrants reconsideration of the question.

(*ii*) These are unimportant refugees, whose forefathers entered India in 1879 in the capacity of followers of Sardar Md. Yakub Khan and Md. Ayub Khan. Almost all of them are under executive restrictions by virtue of the allowances they get from Government, but are not detained under Regulation III of 1818 unlike the descendants of Amir Sher Ali, who are detained under the Regulation. They are unlikely to cause any embarrassment to the Afghan Government, should they return to their country of origin. There is quite a large number of them in India much against our wish, and it seems time that we should endeavour to get rid of them, if possible, thereby affording relief to Indian Revenues, which are being unnecessarily burdened on account of the expenditure that we have to incur in the way of allowances (maintenance, educational, etc.) granted to them. To this end, we might perhaps consult the Afghan Government through H. M.'s Minister, Kabul, whether there would be any objection to their repatriation to Afghanistan. Although the present Afghan Government is not committed to the policy enunciated in 1923 and 1928 by the then Afghan Government, it will be as well to draw their attention to it. If approved, a draft to H. M.'s Minister, Kabul will be put up later.

(*iii*)—(*v*).—In these three categories, there are fairly important refugees, who are almost invariably detained under Regulation III of 1818. As these refugees are considered to be dangerous and hostile, the Afghan Government will not apparently grant any general amnesty to them. Individual cases are however considered on their merits from time to time, and such of them as

accept the terms of the present Afghan Governnent are returned to Afghanistan. For instance, Abdul Qudus, a Koh-i-Daman refugee, has recently returned to Afghanistan. Abdur Rahman, another Koh-i-Daman refugee, is about to return. Bang and Shah Muhammad with the exception of a few remnants, have also gone back. We are now negotiating for the return to Afghanistan of Sardar Abdul Khaliq Khan and Sardar Ghausuddin Khan, an important Malik. Not only that, it is also our constant endeavour to get rid of as many more as possible, after consultation with the Afghan Government if and when—opportunity offers itself. In the circumstances, it seems hardly necessary to make any general reference on their behalf to H. M.'s Minister, Kabul who knows the position so well about all of them.

M. I.,—6-3-37.

I agree with office that there is little to be done except in a case of class (*ii*). I should be glad to know how many refugees fall within this class, what the total amount of the allowance paid to them is and what restrictions are placed on their movements? If they are not very numerous, possibly office could prepare an exhaustive list. Clippings from printed lists would do.

2. These refugees or their ancestors have now been resident in India for nearly sixty years and I doubt if we could effect their wholesale repatriation to Afghanistan. If, however, we could get the Afghan Government to agree to their return in principle, we could at once remove all restrictions on their movements. In such a case it would probably be a hardship if we deprived the existing grantees of their allowances but we could certainly make it a rule that no further allowances would be granted on the death of the present holders.

W. R. HAY,—9-3-37.

(1)

In this connection please see notes from page 1 *ante* with particular reference to the portions side lined. The Afghan refugees in Baluchistan are under executive restrictions only and fall under the category of " followers " mentioned in paragraph 2 (*ii*) of the office note, dated the 6th March 1937 on pages 1-2 *ante*. It will be observed that the question of removing restrictions on the movements of Afghan refugees of the class referred to is already under consideration, and the further necessary action is held up for want of a consolidated list of such refugees, which is at present under preparation. As the point raised in paragraph 3 of the A. G. G. Baluchistan's letter is covered by the discussions on this file, it will be considered with the general question in due course.

M. I.,—20-8-37.

K. P. S. MENON,—23-8-37.

Superintendent, 'N' Branch, asked me to let him have a note regarding the lines on which the clerk placed on special duty for Afghan refugee cases should work. My idea roughly is that all rules regarding Afghan refugees should be revised and issued in pamphlet form. Refugees fall into the following three classes :—

* * * * * *

(2) the followers of Amir Mohd. Yakub Khan and Sardar Mohd. Ayub Khan who arrived with them in India and descendants of these followers.

* * * * * *

2. * * * * * *

3. With regard to (2) I have already written a note giving my ideas about these, which are roughly that we should release them from all restrictions and cancel all allowances as soon as possible. In this case too it would be convenient if a list is prepared on the lines proposed for (1) above.

W. R. HAY,—11-6-37.

K. P. S. MENON,—14-6-37.

As desired, two lists of

(*i*) the followers of the late *ex*-Amir Muhammad Yakub Khan (Appendix I to Notes) etc., and

(*ii*) the miscellaneous Afghan refugees in India (page 1 of Appendix II to Notes), have been prepared, with an explanatory note in each case, and are submitted for approval. It may be explained that most of the refugees shown in these two lists are unimportant, and the explanatory notes have been written only where necessary.

2. With reference to paragraph 1 of D. S. F.'s note, dated the 9th March 1937 on page 2 *ante*, it may be pointed out that according to the lists prepared, there are 251 Afghan refugees in India of the categories mentioned above, and the total amount of the allowances paid to them, works out to Rs. 3,851-4-0 p. m. as detailed below :—

	Number of Afghan refugees.	Cost. Rs.
List A	89	2,901 8 0
List B	162	949 12 0
	251	3,851 4 0 p.m.

As regards the restrictions to which they are subjected, the position is explained in the lists referred to.

3. As these refugees have been residing in India for a very long time now, there may be many who would be reluctant to go back to Afghanistan. Nevertheless, we may perhaps send a copy of the lists in question (in print) to H. M.'s Legation, Kabul and ask them to consult the Afghan Government whether they agree to their return in principle. If they do, we could then take up the question of removing all restrictions on their movements with the ultimate objective of putting a stop to the grant of allowances to the descendants or dependants of the existing grantees on other death as contemplated in the concluding sentence in paragraph 2 of D. S. F.'s note, dated the 9th March 1937 above.

4. If the suggestion in paragraph 3 above is agreed to, further necessary action will be taken

after the lists and the explanatory notes have been printed up.

K. P. S. MENON,—27-9-37.

I have prepared a draft to Kabul which is self-explanatory.

The fresh receipt below may be read with Serial No. (2) and the printed lists (Appendix I and II to Notes). It will be observed from Serial No. (2) that it is proposed to remove all restrictions at present imposed on the unimportant refugees (followers, etc.), and to stop the allowances on the death of the present holders. The Afghan Government, who have been consulted by H. M.'s Minister in Kabul, have asked for further information on the lines indicated in the F. R. below, before expressing an opinion. It may be explained that there are about 250 Afghan refugees of the class in question most of whom get no allowances from Government ; nor are they under any sort of restriction except the ban against crossing the frontier. It is therefore unnecessary to collect the information asked for in respect of such refugees. As regards the remaining refugees who are in receipt of allowances or under any restrictions, it will facilitate matters if the information called for were collected in a tabular form. Office have attempted to do this in so far as information is available in the annual returns of Afghan refugees, and a self-explanatory statement (Appendix III to Notes) according to the Provinces concerned has been prepared and is submitted, with particular reference to columns 6—11. The following remarks are offered :—

Column 6.—The names of fathers have been given in all cases with a few exceptions, but it has not been possible to get the requisite information regarding ancestors in most cases. The local authorities will have to be addressed.

Column 7.—As regards the tribes, such information as is available from the annual returns has been given, but it has not been possible to get any information concerning the particular part of Afghanistan from which the refugees originally came. The present refugees in most cases are the descendants of the followers of the *ex*-Amir Sardar Md. Yakub Khan, etc., who took refuge in India about the year 1880, and it seems doubtful if they will be able to give the information required. In any case, we will have to ask the Provincial Governments concerned to collect the information for us, if possible, and incorporate it in its proper place in the statement.

Column 8.—These refugees originally came to India in the nineteenth century at different times with Shah Shuja-ul-Mulk, *ex*-King of Kabul, the *ex*-Amir Sardar Muhammad Yakub Khan, etc. If approved, we might make a general statement to this effect against this column, unless it is proposed to make enquiries from each individual through the Provincial Government concerned.

Columns 9 and 10.—The information regarding (*i*) ' profession ' and (*ii*) 'educational qualifications ' is not available from our records in most cases. It may be explained that we get returns of educational allowances granted to the sons and grandsons of Afghan refugees, but it is not helpful as regards the refugees themselves. We might ask the Provincial Governments concerned to do the needful in this case also.

Column 11.—Necessary information has been collected from the relevant annual returns of Afghan refugees and filled in. Information regarding the families had already been given in the printed lists (Appendix to Notes). To this has now been added information regarding dependants (*i.e.*, followers or servants).

If the above suggestions are approved, draft letters to the Provincial Governments concerned and the A. G. G. Baluchistan will be put up later.

2. As it is not proposed [Serial No. (2)] to remove the existing restrictions in the case of S. Ghulam Naqshband Khan and Sardar Amir Muhammad Khan who do not get any allowance from Government, it is not necessary to collect the information required in so far as they are concerned. Serial Nos. (42) and (43) at page 4 of the statement (Appendix III to Notes) have accordingly been scored out.

M. I.,—17-2-38.

G. A. H.,—18-2-38.

I suggest that it is not necessary to go to very much trouble to reply to the Afghan Government's queries. If I can be supplied with such information as is readily available I will discuss with the F. M. on the lines that all restrictions on these refugees are being removed and we presume there is no reason from the Afghan Government's point of view why they should not be.

W. K. FRASER TYTLER,—*23-2-38*,

(*H. M.'s Minister, Kabul*).

In view of what is stated by Colonel Fraser Tytler in his note above, there is no need to ask for further information from the local authorities concerned as suggested in the office note, dated the 18th February 1938 above. A draft letter to H. M.'s Minister, Kabul is submitted for consideration. Routine draft to I. O. aslo added. After issue, D. I. B. may see.

M. I.,—9-3-38.

G. A. H.,—9-3-38.

C. A. G. SAVIDGE,—10-3-38.

I think that if possible the following information might be added in the statement (*a*) amount of allowance (*b*) name of Afghan Notable of whom the refugee or his ancestor was a follower.

W. R. HAY,—11-3-38.

The list (Appendix III to Notes) has been amplified as desired, and the drafts below may now issue.

(7)

Please see Serial Nos. (2), (4) and (5) and the relevant notes above. In the circumstances explained by Colonel Fraser Tytler in his demi-official letter below [Serial No. (7)], it seems inexpedient to remove immediately all restrictions at present imposed on the Afghan refugees of the followers class, and the existing arrangements for their watch and ward will have to continue until the political situation admits of their being discontinued in the manner proposed in our demi-official letter to the Minister at Serial No. (2). We may for the present, agree with the proposal made by the Minister at "A" in the F. R. below, but the whole question might be reconsidered after say six months or so, if possible. We may reply to the Minister as in the draft submitted for approval. Memo. to the I. O. also added. The position may also be explained to the A. G. G. in Baluchistan with reference to our demi-official letter at Serial No. (5). Draft submitted. After issue of the drafts, D. I. B. may see.

M. I.,—30-4-38.

G. A. H.,—2-5-38.

In view of the opinion expressed by Minister, Kabul, we must I am afraid, defer further action, for the removal of restrictions from the refugees until the political horizon clears. I have redrafted to Kabul and Baluchistan. D. I. B. may see after issue.

C. A. G. SAVIDGE,—3-5-38.

I am not sure that we need agree with H. M.'s Minister and I see no reason why we should not start releasing some of the more innocuous of the refugees. Have we a list of the refugees whom it is proposed to release ?

A

W. R. HAY,—7-5-38.

The refugees from whom it is proposed to remove all restrictions fall in the following categories :—

* * * * * *

(*ii*) Followers of the *ex*-Amir Yakub Khan, S. Ayub Khan, etc., and

* * * * * *

The list of the refugees mentioned at (*ii*) above will be found at Appendix I and II to Notes. In this connection attention may be invited also to Serial Nos. (4) and (5) and the relevant notes above.

* * * * * *

M. I.,—14-5-38.

G. A. H.,—14-5-38.

As D. S. is of opinion that we need not necessarily agree with the views of Minister, Kabul, regarding the postponement of the removal of restrictions from the categories of Afghan refugees, I have re-examined the cases with a view to ascertaining which classes of refugees we may safely release from all restrictions.

2. The three categories of refugees from whom it is proposed to remove all restrictions are given in paragraph 1 of office note above. Categories 1 and 2 only remain to be dealt with at present. Of these two categories, I think that the refugees belonging to category 2, *i.e.*, followers of Afghan notables who came to India, may be released at once. The names of these persons will be found in the list and their total number is 89. They are all at present under surveillance and none of them is restricted under Regulation III. They are unimportant refugees most of whom are in receipt of mere nominal allowances. It is very unlikely that any of them will attempt to return to Afghanistan, and in any case they will still remain subject to the ban of crossing the frontier. Removal of the present restrictions from these unimportant followers will considerably reduce the work of the various Provincial Governments who have to undertake their surveillance.

3. * * * * * *

4. If the above proposals are accepted, we may write to Minister, Kabul, and inform him that orders are being issued for the removal of all restrictions from those refugees who fall under the category of " followers ". I do not think it will be necessary to obtain the concurrence of H. M. G. to the removal of these restrictions if it is confined to the unimportant followers mentioned above.

C. A. G. SAVIDGE,—17-5-38.

Will Secretary please see the noting above together with Serial No. (9) on this file ? I fully agree with U. S.'s proposal so far as " followers " are concerned. It seems most unlikely that any of these men would or could cause any trouble in Afghanistan, and there seems no necessity whatever to tell the Afghan Government what we are doing.

2. * * * * * *

W. R. HAY,—19-5-38.

H. A. F. METCALFE,—21-5-38.

Reference paragraph 1 of D. S.'s note, dated the 19th May 1938 above. We may now take up with the Provincial authorities concerned the question of the removal of restrictions imposed on the unimportant refugees falling under the category of 'followers'. The refugees of this class are residing in the U. P., the Punjab, Baluchistan and Sind. These may be dealt with *seriatim* :—

U. P.—According to the U. P. return for 1936, the names of Afghan refugees who are to be released from all restrictions except the ban against crossing the Frontier, are shown in the list at (Appendix II to Notes). They are 30 in number. From the latest return for 1937 since received, it appears that the U. P. Government have added a few more names of the sons of Afghan refugees, who are in receipt of educational allowances,

and also under surveillance. To avoid confusion therefore a fresh list (Appendix IV to Notes) has been prepared and is submitted. It shows 36 names including the 30 names specified in the list. We may now address the U. P. Government as in the draft submitted for approval.

Punjab.—According to the list there are 42 Afghan refugees who are under some sort of restrictions by virtue of the allowances they get from Government. These restrictions are that they (stipendiaries) cannot without permission leave the district in which their allowances are payble, etc., *vide* paragraphs 9—15 of " Orders regarding Afghan Refugees ". From the latest return for 1937 since received, it appears that all the refugees in the Punjab with the following exceptions, are at large :—

Serial No.	Name.	Restrictions.
152	S. Ghulam Jilani ..	Under surveillance.
153	S. Ghulam Naqshband Khan.	At large, but in fact both of them are not permitted to visit or reside in the N. W. F. P. and Baluchistan.
153	S. Amir Muhd. Khan ..	

While it is proposed to removed restrictions in the case of No. 152, it is not the intention so far as Nos. 153 and 154 are concerned.

Among the refugees residing in the Punjab, there are two descendants of the late Amir Sher Ali Khan, *i.e.*, S. Abdul Kadir Khan and S. Abdus Samad Khan [Nos. 18 and 19]. Their cases are being dealt with on File No. 380 (4)-N./37 (linked).

In the light of the above explanations, a fresh list† has been prepared (Appendix V to Notes) showing the names of the refugees from whom it is intended to remove all restrictions. A draft to the Punjab Government is submitted for approval.

Baluchistan.—According to the list there are 14 refugees in Baluchistan. The latest return for 1937 since received, has also been examined and there is no change. A draft to the A. G. G. Baluchistan is submitted for approval.

Sind.—According to the list there are 3 Afghan refugees, who are under restrictions. From the latest return for 1937 since received, there are 6 refugees of which 1 is in jail. The remaining 5 including Must. Shah Gul Bibi who was transferred to Sind from Baluchistan last year, are in receipt of allowances and under restrictions. We may address the Sind Government as in the draft submitted for approval.

2. It seems as well to tell the Minister what we are doing. A draft demi-official letter is submitted for approval. Routine draft to the India Office also added.

3. After issue of the drafts, Finance Department and D. I. B. may see. (Routine notes at page 4 *ante* have been brought on to regular notes).

M. I.,—18-6-38.

G. A. H.,—18-6-38.

I have checked carefully all the lists of refugees from whom it is proposed to remove restrictions and I think we may release them all forthwith. I have recast all the draft which F. D. and D. I. B. may see after issue.

C. A. G. SAVIDGE,—21-6-38.

Discussed with Secretary. In view of the present crisis in Afghanistan, we cannot issue instructions on the lines proposed for the time being. We must wait until the situation becomes easier.

W. R. HAY,—23-6-38.

Explanatory note.

Serial No.	Name.	Remarks.
1	*Khan Sahib Muhammad Umar Khan* ..	Nos. 1, 10, 11 and 12 are brothers-in-law and No. 2 is nephew-in-law of the *ex*-Amir Yakub Khan. No. 16 is only a follower. The allowances shown against their names in the statement were sanctioned* for them in July 1924.
2	*Khan Sahib Hafiz Ullah Khan.*	
10	*Agha Abdur Rahman Khan.*	
11	*Sohrab Khan.*	
12	*Ghulam Rasul.* .	
16	*Miran Shah.*	
20	*S. Muhammad Yusuf Khan*	Son-in-law of the late ex-Amir Sardar Muhammad Yakub Khan of Afghanistan. After the death of the ex-Amir in 1923, an allowance of Rs. 100 p.m. was sanctioned† for him in July 1924. He is not detained under Regulation III of 1818, but prior to October 1936, his movements were restricted. He is on friendly terms with the present Afghan Government, and visited Kabul in 1936 on the occasion of the Jashan celebrations at the invitation of the Afghan Government. In view of this, restrictions on his movements were permanently withdrawn‡ in November 1936. As a sequel to this, the question of the cessation of the allowance drawn by him was taken into consideration, but was dropped§. 2. He is on friendly terms with H. H. the Maharaja of Patiala and visited England in 1928 in company with him.
21	*S. Ghulam Muhammad Khan*	Illegitimate sons of Sardar Muhammad Yusuf Khan (No. 20). They do not receive any allowance from Government, but they are under surveillance, except No. 21 restrictions on whose movements were removed‖ in 1932. No. 23 absconded from Dehra Dun in January 1931, and found his way to Chitral where he met his brother-in-law, Prince Ghazi-ud-Din, a son of the late Mehtar of Chitral. His flight had however no political significance, the object being merely to get away from the strict attitude of his father towards him and from the unsatisfactory state of his official position in the Survey of India, where he served for a period of three years on a small pay of Rs. 20 p.m. He was eventually placed¶ under custody and sent from Chitral to Peshawar *en route* to Dehra Dun towards the end of January 1931. As these Afghan refugees are men of no political importance, all restrictions** on their movements were removed in September 1937 and surveillance maintained over them and their father was discontinued.

Serial No.	Name.	Remarks.
		Nos. 39 and 40 are the legitimate sons by different wives and No. 41 is by a slave girl named Zebo. The higher allowance sanctioned for No. 39 is attributed to the fact that he was at the time considered to be the head of the family.
		In addition to the allowance of Rs. 250 p.m., Government also sanctioned in the name of Qazi Abdul Azim Khan an allowance of Rs. 125 p.m. for payment to the other members of the family; *i.e.*— (*i*) The family of the eldest son (Qazi Shamsuddin since dead) of the late Qazi Abd-us-Salam. Rs. 100 (*ii*) Abdul Qudus, half brother of the Qazi (since dead). Rs. 25 Total .. .. Rs. 125
		Of the allowance of Rs. 100 p.m. mentioned at (*i*) above, the Qazi, it was reported in February 1906, misappropriated funds to the extent of about Rs. 2,100*. This resulted in the issue of fresh pension orders in favour of the real claimants.
		In February 1906, Qazi Abdul Azim Khan, Abdul Halim Khan and Abdul Qudus† were convicted under Section 353, I. P. C., for assaulting a public servant in th execution of his duty in Rawalpindi, and sentenced to pay a fine of Rs. 500, Rs. 200 and Rs. 50 respectively. The former was at the same time suspected of complicity in the burglaries committed in the city and proceedings were taken against him under section 110, C. P. C. These proceedings had eventually to be abandoned in the absence of sufficient evidence to substantiate the charge.
		In June 1921, Qazi Abdul Azim Khan applied for commutation of one-fifth of his pension in order to build himself a house in Lahore. This application was rejected as the G./I. were opposed in principle to commute the political pensions enjoyed by Afghan refugees in India. It was however agreed to grant‡ him a house building advance instead.
		In May 1926, it transpired that Abdul Alim Khan had been drawing in error the allowance of Rs. 50 p.m. sanctioned for his brother Abdul Hakim Khan, who died in November 1913. The excess payment amounting to Rs. 7,300 received by him was eventually written off§ in view of the straitened circumstances in which he was reported to be at the time.
46	*Abdul Kadir Khan*	Son of the sister of the late Sardar Muhammad Ayub Khan. During the life time of the Sardar, she and her son‖ Abdul Kadir Khan were in receipt‖ of an allowance of Rs. 600 and Rs. 100 respectively. On the death of her mother in August 1923 half of her allowance was continued to her son Abdul Kadir Khan in lieu of, and not in addition to

63	*Sher Ali Khan*	He was in receipt of an allowance of Rs. 100 p. m. during the life time of the late Sardar Ayub Khan and the same allowance was sanctioned‡ for him after the latter's death in 1914.

74	*Ahmad Khan*	Son of Gul Shah Khan, Ghilzai Suleman Khel, who was in receipt of an allowance of Rs. 70 p.m. On the latter's death in 1910, an allowance of Rs. 60 p.m. was sanctioned for his son Ahmad Khan in May 1910, on the conditions of loyalty and good behaviour and on the express understanding that it would be utilized for the maintenance of the family of the deceased. Ordinarily, he was entitled to receive only one half of the allowance of Rs. 70 p.m. drawn by his father, but this larger allowance of Rs. 60 p.m. was sanctioned as a special case in consideration of the good work done by his father in the early and difficult days of the Zhob Agency and the valuable assistance he rendered‖ to the district officers.
75	*Ali Ahmad Khan*	Son of Sardar Fazal Ahmad Khan, Muhammadzai, who was in receipt of an allowance of Rs. 100 p.m. He died in Karachi on 7th June 1927 and half of his allowance was continued¶ to his son Ali Ahmad Khan, for the support of the deceased's family, subject to reconsideration in the event of the death of any member of the family, the marriage of any of the sisters or the remarriage of the widow. In January 1929, this allowance was distributed as under :— (*i*) Ali Ahmad Khan .. Rs. 20 p.m. (*ii*) Widow of the deceased .. Rs. 30 p.m. The allowance at (*i*) above is subject to resumption on the recipient's death, while that at (*ii*) above sanctioned** for the widow and her daughter is subject to adjustment on the death or marriage of either of them. In July 1937, the widow (Mussammat Shah Gul Bibi) with her daughter was allowed†† to reside permanently in the Larkana District (Sind).
76	*Dad Muhammad Khan*	Son of Sardar Muhammad Alam Khan, who came‡‡ to India in 1881 with a Kharita signed by Sir H. M. Durand in which it was stated that he would be received with respect and hospitality by Government whenever he returned to India.

Serial No.	Name.	Remarks.
		On his arrival in India he was granted an allowance of Rs. 1,000 p. m. On his death in 1887, half of his allowance was distributed among his sons, etc., including Dad Muhammad Khan who received a pension of Rs. 45 p. m.
77	*Faiz Muhammad Khan*	Son of Khan Sahib Muhammad Anwar Khan and grandson of the late Sardar Muhammad Alam Khan; *vide* remarks against Serial No. (76) above. On S. Muhammad Alam's death in 1887, an allowance of Rs. 45 p. m. was among others sanctioned for S. Muhammad Anwar Khan. This allowance was increased to Rs. 54 p. m. in 1920. The father S. Muhammad Anwar Khan served Government as an E. A. C. and on retiring from Government service in 1927 was granted* a pension of Rs. 392-4-0 p. m. He was also granted for his life time an assignment of land revenue amounting to Rs. 600 p. a. with effect from the financial year 1928-29. On his death in March 1931, half of his allowance of Rs. 54 p. m. was continued to his son Faiz Muhammad Khan, who was 12 year old at that time, until he attained the age of 21 years. The Government of India however refused to accept the recommendation that the pension of Rs. 54 p. m. and the cash assignment of Rs. 600 enjoyed by his father be continued to him until he attains the age of 21.
		In April 1937, S. Faiz Muhammad Khan sought permission to visit Kabul for one month in order to fetch his two sisters who are at present residing there. Of the two sisters, one is reported to be married while the other is betrothed to a cousin. Faiz Muhammad wished to oppose the marriage of the second sister. As any attempt on his part to remove his second sister from Kabul would have almost certainly resulted in bloodshed, the permission asked for was not granted†.
78	*Inayat Ullah*	Son of Abdul Qadir and grandson of the late Subedar Major Nur Muhammed Khan, Andari Ghilzai. The grand father was in receipt of an allowance of Rs. 30 p. m., which was continued in full to his son Abdul Qadir, after his death in 1916, in consideration of the deceased's excellent services to Government and the good influence he exercised over the fellow Ghilzai tribesmen who held the family in great esteem‡. Abdul Qadir died in September 1918. In view of the past services of the family, the full allowance enjoyed by Abdul Qadir was again continued to his son Inayat Ullah as a special case on the usual conditions of loyalty and good conduct.
79	*Muhammad Ibrahim*	Son of the late Mama Khwaja Muhammad Khan, who was a cousin of the late Sardar Sher Ali Khan, *ex*-Wali of Kandahar; *vide* remarks against Serial No. (83) below. The late Mama was in receipt of an allowance of Rs. 80 p. m. sanctioned in 1900, and on his death in 1918, an allowance of Rs. 55 p. m. was sanctioned for his son Muhammad Ibrahim in October 1919, on the usual conditions of loyalty and good behaviour and on the

80	Muhammad Hassan Khan	Son of Sardar Gul Muhammad Khan and grandson of Sardar Muhammad Alam Khan; *vide* remarks against Serial No. (76). An allowance of Rs. 150 p. m. was sanctioned for Gul Muhammad Khan in 1887. On his death in March 1922, half of his allowance, *i.e.*, Rs. 75 p. m. was continued to the family till the death of the deceased's widow or till his younger son, Muhammad Hassan Khan attained the age of 21 years (whichever event takes place last) on the usual conditions† of loyalty and active service to Government.
81	*Muhammad Usman Khan*	Son of Sardar Muhammad Rahim Khan, eldest son of S. Muhammad Alam Khan; *vide* remarks against Serial No. (76) S. Muhammad Rahim Khan was in receipt of an allowance of Rs. 135 p. m. sanctioned in 1887. He died in 1928, and the same allowance was continued to his son Muhammad Usman Khan as a special case in view of the past services of his ancestors, on the usual conditions of loyalty and active support of Government. The allowance is subject to reduction‡ by half after the minor son, who was aged 7 years in 1929, attained the age of 21 years. S. Muhd. Usman Khan and his two younger brothers are in Government Service.
83	*Shah Nawa Khan*	Son of Sardar Sher Ali Khan§, *ex*-Wali of Kandahar, by his fourth wife. The latter was recognised‖ by the G./I. as independent ruler of that province in Afghanistan in March 1880. The authority then assumed by him was lost four months later, when Sardar Ayub Khan, brother of the *ex*-Amir Yakub Khan, advanced from Herat, and Sher Ali Khan afterwards showed little inclination to resume it. Immediately after the relief of Kandahar by General Roberts, Sher Ali Khan, while willing to give all the aid in his power for the restoration of tranquillity, expressed a desire to be permitted to retire to India as he had lost confidence in the people and as he felt little hope of restoring a good understanding between them and himself. Thereupon, he was given refuge in India and located at Karachi where he arrived on 27th December 1880. On his arrival in British territory he was accorded honourable reception, treated with courtesy and distinction and granted an allowance of Rs. 5,000 p. m. Government also sanctioned an expenditure of Rs. 16,000 in fitting up a house and gardens, in the purchase of carriage and pair and other things calculated to increase his comforts. Owing to the increase in the number of his followers, he obtained on lease from the Karachi Municipality, a large tract of land lying to the north of Karachi, where he built residences for himself and his followers and constructed a well for his gardens.

Serial No.	Name.	Remarks.
		The *ex*-Wali breathed* his last on 21st January 1897. Thereafter, half of his allowance of Rs. 5,000 was distributed among his family members, etc., including Sardar Shah Nawaz Khan, who received a pension of Rs. 200† p. m. sanctioned in November 1897. At the time of the distribution of his father's allowance, he claimed in vain to be the head of the family. He served as a Risaldar in the 7th Bombay Cavalry stationed in Fort Sandeman.
		In 1926, he applied‡ for an increase in his allowance, but the application was rejected.
84	*Abdul Qadir*	Son of Sahibzada Abdul Baqi, Suleman Khel Ghilzai, who was in receipt§ of an allowance of Rs. 105 p. m. On his death in May 1921, Abdul Qadir was granted an allowance of Rs. 75 p. m. on the usual conditions of loyalty and active good service to Government and on the understanding‖ that he prodvided for the proper maintenance of the family.
85	*Sardar Muhammad Ali Khan*	Eldest son of the late Sardar Sher Ali Khan, *ex*-Wali of Kandahar, by his fifth wife [*vide* remarks against Serial No. (83)]. On the death of his father in 1897, he was declared to be the head of the family in accordance with the will left by the deceased, and granted¶ and allowance of Rs. 400 p. m., which he is still drawing.
87	Ali Ahmad Khan	Sardars Ali Ahmad Khan and Muhammed Rahim Khan were originally in receipt of an allowance of Rs. 25 and 50 p. m. respectively. As a result of the increased cost of living coupled with the high social status of the refugees in Baluchistan, their allowances were *inter-alia* raised** to Rs. 30 and Rs. 60 p. m. in April 1920.
88	Muhammad Rahim Khan	No. 87 was employed in the Railway Workshop, Sukkur, but is unemployed at present. He is the son-in-law of S. Muhammad Ali Khan (No. 85). No. 88 is cousin of Sardar Sher Ali Khan, *ex*-Wali of Kandahar.

EXPLANATORY NOTES.

Serial No.	Name.	Remarks.
1	*S. Muhammad Hassan Khan*	S. Muhammad Hassan Khan is the son of S. Muhammad Ishaq Khan (an Afghan refugee in Baluchistan,) and great grand-son of the late Amir Dost Muhammad Khan. His father, who died* in February 1937, was in receipt of an allowance of Rs. 485 p. m., but the son is in receipt of no allowance; nor is he under any restrictions. His father, S. Muhammad Ishaq Khan was at one time allowed† by the Afghan Government to return to Afghanistan, but as he later on attached himself to the late Sardar Muhammad Ayub Khan, who was an open enemy of the Afghan Government, that Government declined to take him back. He is the son-in-law of the eldest daughter of the late *ex*-Amir Muhammad Yakub Khan of Afghanistan. In early September 1937, he left Dehra Dun and arrived at Quetta with the object of proceeding to Afghanistan. He is stated to be in straitened circumstances. The question of his return‡ to that country is now under consideration in consultation with the British Legation, Kabul.
4	*S. Abdul Aziz Khan*	Son of General Najam-ud-Din Khan. The allowance of Rs. 100 per mensem shown against his name is jointly§ enjoyed by the Sardar and the families of his brothers, the late Sardars Abdur Rashid Khan and Abdul Majid Khan.
18	*S. Muhammad Mohsin Khan*	Son of Amir Muhammad Azam Khan and grand-son of Amir Dost Muhammad Khan of Afghanistan. He was granted a temporary increase of Rs. 43-12-0 in his allowance, but it was stopped with effect from the payment for March 1933.‖
155	*S. Ghulam Naqshband Khan*	Is a direct descendant, in the fourth degree, of Paindah Khan, father of Amir Dost Muhammad Khan of Afghanistan. While in Afghanistan, he alleges to have held the position of a "Darbar-i-Hazur" at the Court¶ of Amir Habibullah Khan, and also served the Afghan Government in various other responsible posts. He abandoned his property and permanently left Afghanistan and reached Peshawar in June 1934. He left his country of origin because in 1923, his son Ghulam Nabi, aged about 15 years, died from the effects of a severe beating administered to him in the Nizami School at Kabul by the Turkish General Effendi Mahmud Sami. Upon the Sardar's complaint, an enquiry was instituted by Amir Amanullah Khan into the circumstances of the death of the boy, but for various reasons the Amir declined to punish the General. In view of his position and past services, the decision reached was considered by him to be incompatible with his dignity to remain any longer in Afghanistan.

		The Afghan Government describe* him as a man of no political importance.
		His request for the grant of an allowance was rejected in February 1925. He was, however, allowed† to reside anywhere in India except the N.-W. F. Province and Baluchistan.
		At the Sardar's request‡ the question of the removal of ban on his residence in the N.-W. F. Province and Baluchistan was considered in 1932, but it was dropped, as the local authority concerned, did not agree.
		He is related by marriage to His late Highness the Khan of Kalat§ who emphatically protested against his visit to Baluchistan. In view, however, of the straitened circumstances of the Sardar, he contributed a sum of Rs. 500 towards his maintenance expressing the hope at the same time that so far as he and his State were concerned this contribution would be regarded as a final quittance‖ and that no further application would be received from him for permission to enter Baluchistan.
		In 1933 and 1934, he again raised the question of the grant of an allowance and the removal of ban on his residence in the N.-W. F. Province and Baluchistan, but his requests¶ were not acceded** to.
		In April 1937, the question of his residence in Baluchistan was again considered on the ground among others that the Khan of Kalat, who originally objected to his visit to Baluchistan, was dead. As the present Khan of Kalat is also not in favour of permission being given, the matter was dropped††.
		The Sardar has two sons :—
		(*i*) Ghulam Sakki Khan.
		(*ii*) Ghulam Qadir Khan.
		As regards (*i*), he made requests in March 1936, through the C. C. Delhi, for—
		(*a*) grant of a maintenance allowance.
		(*b*) employment,
		(*c*) permission to visit the N.-W. F. and Baluchistan, and
		(*d*) share of the diamond "Darya-i-Noor", belonging to his late grand-father Sardar Amin-ud-Daula Khan.
		The requests at (*a*) and (*b*) were not acceded to. He was, however, permitted to visit the N.-W. F. Province, but not Baluchistan.
		As regards the diamond, it was sold in America long ago by the owner, and the Government of India regretted their inability to investigate the claim.‡‡

Serial No.	Name.	Remarks.
		As regards (*ii*), the question of his return to Afghanistan was taken up with the Afghan Government in February 1937. They suggested that S. Ghulam Qadir should apply to the Afghan Consul-General in India, and the Sardar was informed* accordingly. Nothing further has been heard from the Sardar.
156	*S. Amir Muhammad Khan*	He is the son of Abdul Aziz Khan. Is described as a relative of the late King Nadir Khan of Afghanistan, and was deported to India in April 1930 on a charge of murdering Muhammad Usman Khan, *ex*-Governor of Kandahar. He was a "Ghund Mashar" in the time of *ex*-King Amanullah, and a "Firqa Mashar" in the time† of Amir Habibullah in Kabul. His father, Abdul Aziz Khan, was "Khansamah Bashi" (Steward) to the late Abdur Rahman Khan.
		He is permitted to reside anywhere in India except the N.-W. F. Province and Baluchistan. He applied for the grant of an allowance, but the Government of India expressed their inability to help him in the matter.
		In March 1937, Amir Muhammad Khan was permitted to visit‡ Peshawar for a period not exceeding one month to enable him to effect recovery of certain of his debts.

(1)

MEMORANDUM FROM THE HON'BLE THE AGENT TO THE GOVERNOR GENERAL, RESIDENT AND CHIEF COMMISSIONER IN BALUCHISTAN, No. 4/31-RFG-1190-P.Z., DATED THE 17TH AUGUST 1937.

Reference orders regarding Afghan Refugees forwarded with Foreign and Political Department letter No. 410-F., dated the 20th October 1916 [P. No. 1 in File No. F. A. November 1916 (No. 1)].

2. Of the 18 Afghan Refugees under the control of this Administration particulars of whom are given in the Annual Return for 1936 forwarded with this Administration letter No. 3/27-RFG-198-P.Z., dated the 21st May 1937, Sardar Abdul Wahid Khan, Sardar Mohammad Ishaq Khan and Karam Khan (Serial Nos. 4, 11 and 17) have since died and Sardar Amir Mohammad Khan (Serial No. 7) has been permitted to return to Afghanistan (Serial No. 2 in File No. 250-N/37). The remaining 14 are residing and drawing their allowances in Baluchistan and their movements are restricted under rules 9-12 of the orders referred to above.

3. It is understood that the object of Government is that Afghan Refugees should merge themselves in the general population, and become self-supporting. It does not appear that the refugees referred to are any danger to the Afghan Government and it is therefore suggested for the consideration and orders of the Government of India that the restrictions on them should now be lifted and that they should thereby be encouraged to live where they can find work in British India and become ordinary pensioners on the simple conditions of loyalty and good behaviour.

(2)

LETTER TO HIS MAJESTY'S CHARGE D'AFFAIRES, KABUL, No. F. 380 (2)-N/37, DATED THE 23RD OCTOBER 1937.

I am directed to forward herewith two lists (Appendices I and II to Notes) that have been prepared of Afghan refugees in India whose political importance has now practically disappeared. The first list contains the names of the followers of ex-Amir Sardar Mohammad Yakub Khan and Sardars Mohammad Ayub Khan and Mohammad Hashim Khan and the descendants of such followers, and the second list contains the names of other unimportant refugees.

2. With regard to the first list it is proposed to remove all restrictions at once, and to let all the allowances lapse on the death of the present holders, unless there are any very strong grounds for continuing them, and to inform the holders accordingly. All these refugees or their ancestors have now been residing in India for between fifty and sixty years. None of them belong to the Royal family, and it seems most improbable that any of them can be regarded as a danger to the present Afghan Government.

3. It is proposed to deal similarly with refugees whose names are included in the second list except that in the case of Serial No. 155, Sardar Ghulam Naqshband Khan, and Serial No. 156, Sardar Amir Mohammad Khan, it is not proposed at present to remove the existing restrictions. This list contains the names of a few unimportant Barakzai Sardars, but none of them appears likely to give any trouble to the Afghan Government.

4. I am to enquire whether you have any comments to make on these proposals. There is no objection to your consulting the Afghan Government if you think it necessary to do so. The Government of India are most anxious to be relieved of the responsibility of watching and paying allowances to such a large number of enitrely unimportant persons.

5. The case of the more important Afghan refugees who are not included in these lists is being considered separately, and you will be consulted in due course regarding the rules that it is proposed to draw up for their future treatment.

6. A copy of this letter is being sent to the India Office.

The paper specified below was transmitted to the Secretary, Political Department, India Office, London, for the information of His Majesty's Secretary of State for India, under cover of the Foreign Secretary's letter No. 97-M., dated the 28th October 1937:—

MEMORANDUM FROM THE COUNSELLOR, BRITISH LEGATION, KABUL, No. 187, DATED THE 31ST DECEMBER 1937.

Please refer to your letter No. F. 380 (2)-N/37, dated the 23rd October 1937 [Serial No. (2)].

2. A communication was made to the Afghan Government in the sense of your letter referred to above and a request has now been received from the Foreign Minister for the following further information, since the Afghan Government find difficulty in tracing persons who left this country so long ago:

1. Names of fathers and ancestors where these are not shown on the lists forwarded with your letter.
2. Tribe and part of Afghanistan from which the refugees originally came.
3. Dates and reasons for going to India.
4. Profession if any and not shown on the lists.
5. Educational qualifications.
6. Numbers of families and dependents.

LETTER TO HIS MAJESTY'S MINISTER, KABUL, No. F. 380 (2)-N/37, DATED THE 1ST APRIL 1938.

With reference to memorandum from the British Legation, Kabul, No. 187 dated the 31st December 1937 [Serial No. (4)], I am directed to forward herewith a statement (Appendix III to Notes) giving such information as is readily available regarding the refugees who are in receipt of allowances from Government, and in respect of whom it is proposed to remove all restrictions at once. I am to add that it is not possible to furnish information regarding the names of their ancestors or to say from which part of Afghanistan these refugees originally came. No information is available in the majority of cases in regard to their professions and educational qualifications. As regards the date of their arrival in India and their reasons for going there, it may be stated that the refugees in question are the followers or the descendants of followers of previous rulers of Afghanistan or their near relatives (Shah Shuja-ul-Mulk, Shah Zaman, Amir Muhammad Yakub Khan, S. Muhammad Ayub Khan and Sardar Hasham Khan) who took refuge in India at various times, and that they or their ancestors probably entered India with their masters.

2. The Government of India would be glad if an early opportunity could kindly be taken to discuss the question of these refugees with the Afghan Govern-

45

ment, who might, it is suggested, be informed that all restrictions on them are being removed, and that it is presumed that there will be no objection to this from the Afghan Government's point of view.

3. The Government of India will be glad to learn in due course of the action taken and its results, as they do not propose to issue orders until they hear further from you.

EXTRACT FROM DEMI-OFFICIAL LETTER FROM LIEUTENANT-COLONEL W. K. FRASER TYTLER, C.M.G., M.C., HIS MAJESTY'S MINISTER, KABUL, No. 361 (E), DATED THE 5TH APRIL 1938.

I have been considering your demi-official letters Nos. F. 48-N/38 and F. 380 (1)-N/37, dated the 7th and 10th March 1938, respectively, on the subject of the release from detention or surveillance of certain Afghan subjects at present in India.

2. It seems to me that in principle the persons referred to therein could be released without much danger.

3. As it happens however no more unfavourable moment than the present could present itself for making an approach to the Afghan Government in a matter of this sort. The Waziristan-Katawaz border is uneasy and a situation may very shortly arise which will give an opportunity to some refugee in India to stir up trouble against the Afghan Government. In addition we have the case of Muhammad Umar who is still at large and who has recently been reported to be somewhere on the Waziristan border. The Oriental Secretary's opinion is that we may before long hear more about this man as focus of anti-Afghan disturbance.

4. In such circumstances as these you will realise that any approach to the Afghan Government on the question of setting refugees at liberty is at present doomed to failure, and if we take action without consulting them we shall only excite suspicions that we are intriguing against them. I therefore propose to defer further consideration of the question till the situation is a bit clearer and quieter. The same considerations apply at present to the refugees referred to in your official letter No. F. 380 (2)-N/37 [Serial No. (2)], dated the 23rd October 1937.

EXTERNAL AFFAIRS DEPARTMENT
NOTES.
Serial Nos. (1)—(9).
LIST OF THE FOLLOWERS OF THE EX-AMIR SARDAR MOHAMMAD YAKUB KHAN, SARDAR
MOHBMMAD AYUB KHAN AND OTHERS AND THE QUESTION OF THE REMOVAL OF
RESTRICTIONS ON THEIR MOVEMENTS AND THE STOPPAGE OF THE ALLOWANCES ON
THE DEATH OF THE PRESENT HOLDERS.
From an examination of the old papers, it
appears that the question of repatriation of Afghan
refugees in India has been discussed in the past.
In this connection attention is invited to
(i) notes on pages 1-5 in Progs. F. B., Feb-
ruary 1921, No. 20,
(ii) S. No. (5) and the relevant notes and

demi-official correspondence on pages 4-6
in File No. 388-F./33, and
(iii) S. Nos. (2) and (3) and the relevant
notes on pages 4-17 in File No. 122-F./28.
It will be observed that in 1923 (page 4 of notes of
File No. 388-F./33), H. M.'s Minister, Kabul in-
formed the G. of I. that the then Amir's policy
was to get as many of the Afghan refugees in India
repatriated as possible, provided the refugees
themselves made the first move. In view of this,
we notified [Serial No. (5) in File No. 388-F/33]
to the Local Governments accordingly and told
them that applications forwarded through proper
channel would be considered favourably by the
then Amir. As a sequel to this offer, some of the
Afghan refugees did apply for repatriation, which
was facilitated by us. Again in 1928, the then
Afghan Government reiterated their policy enun-
ciated in 1923 and said that if any of the refugees
wished to return to Afghanistan, he-had only to
apply to an Afghan representative in India for a
passport.
2. There are five kinds of Afghan refugees in
India (both under Regulation III of 1818 and
under executive restrictions):-
ody (i) Descendants of Amir Sher Ali Khan; i.e.,
meread the sons and grandsons, etc., of the late
odd to Sardars Muhammad Yakub Khan (the
rotinged ex-Amir) and Muhammad Ayub Khan,
-70 (ii) The followers of the Sardars named in (i)
above,
-970
gode
TO
od (iii) Koh-i-Daman refugees about 20 in
number, supporters of Bacha Saqqao,
(iv) Heinous criminal, e.g., Bang and Co.,
who were turned out from Afghanistan
in 1934 for their lawless habits, and

(v) Pro-Amanullah group (i) Amin Jan, (ii) Abdul Hakim Khan, (iii) Abdul Khaliq Khan, (iv) Gulam Jilani; (iv) Ghausuddin Khan.

MS89EAD

3. These may be dealt with seriatim:

(2) While considering the question of the release of Sardar Muhammad Afzal Khan, a grandson of Sardar Md. Ayub Khan, from detention under Regulation III of 1818, the general question of the return to Afghanistan of the descendants of Amir Sher Ali Khan was taken up with the present Afghan Government in 1935, who, for reasons of the former's ambitious propensities for the Afghan throne, strongly opposed (F. 582-N./35) any move in this direction. In the circumstances, the status quo should continue unless a change in the attitude defined warrants reconsideration of the question.

(ii) These are unimportant refugees, whose forefathers entered India in 1879 in the capacity of followers of Sardar Md. Yakub Khan and Md. Ayub Khan. Almost all of them are under executive restrictions by virtue of the allowances they get from Government, but are not detained under Regulation III of 1818 unlike the descendants of Amir Sher Ali, who are detained under the Regulation. They are unlikely to cause any embarrassment to the Afghan Government, should they return to their country of origin. There is quite a large number of them in India much against our wish, and it seems time that we should endeavour to get rid of them, if possible, thereby affording relief to Indian Revenues, which are being unnecessarily burdened on account of the expenditure that we have to incur in the way of allowances (maintenance, educational, etc.) granted to them. To this end, we might perhaps consult the Afghan Government through H. M.'s Minister, Kabul, whether there would be any objection to their

repatriation to Afghanistan. Although the present Afghan Government is not committed to the policy enunciated in 1923 and 1928 by the then Afghan Government, it will be as well to draw their attention to it. If approved, a draft to H. M.'s Minister, Kabul will be put up later. od) Jin bonabiemon (iii) (v). In these three categories, there are fairly important refugees, who are almost invariably detained under Regulation III of 1818. As these refugees are considered to be dangerous and hostile, the Afghan Government will not apparently grant any general amnesty to them. Individual cases
are however considered on their
merits from time to time, and such of them as

accept the terms of the present Afghan Governnent are returned to Afghanistan. For instance, Abdul Qudus, a Koh-i-Daman refugee, has recently returned to Afghanistan. Abdur Rahman, another Koh-i-Daman refugee, is about to return. Bang and Shah Muhammad with the exception of a few remnants, have also gone back.
We are
now negotiating for the return to Afghanistan of Sardar Abdul Khaliq Khan and Sardar Ghausuddin Khan, an important Malik. Not only that, it is also our constant endeavour to get rid of as many more as possible, after consultation with the Afghan Government if and when opportunity offers itself. In the circumstances, it seems hardly necessary to make any general reference on their behalf to H. M.'s Minister, Kabul who knows the position so well about all of them.
M. I., 6-3-37.
I agree with office that there is little to be done

except in a case of class (ii). I should be glad to know how many refugees fall within this class, what the total amount of the allowance paid to them is and what restrictions are placed on their movements? If they are not very numerous, possibly office could prepare an exhaustive list. Clippings from printed lists would do.

2. These refugees or their ancestors have now been resident in India for nearly sixty years and I doubt if we could effect their wholesale repatriation to Afghanistan. If, however, we could get the Afghan Government to agree to their return in principle, we could at once remove all restrictions on their movements. In such a case it would probably be a hardship if we deprived the existing grantees of their allowances but we could certainly make it a rule that no further allowances would be granted on the death of the present holders.

3. With regard to (2) I have already written a note giving my ideas about these, which are roughly that we should release them from all restrictions and cancel all allowances as soon as possible. In this case too it would be convenient if a list is prepared on the lines proposed for (1) above.
W. R. HAY,-11-6-37.
K. P. S. MENON,-14-6-37.
As desired, two lists of
Jade (i) the followers of the late ex-Amir Muhammad Yakub Khan (Appendix I to Notes)
etc., and
(ii) the miscellaneous Afghan refugees in India (page 1 of Appendix II to Notes),
have been prepared, with an explanatory note in each case, and are submitted for approval. It may be explained that most of the refugees shown in these two lists are unimportant, and the explanatory notes have been written only where necessary.
2. With reference to paragraph I of D. S. F.'s note, dated the 9th March 1937 on page 2 ante, it may be pointed out that according to the lists prepared, there are 251 Afghan refugees in India of the categories mentioned above, and the total amount of the allowances paid to them, works out to Rs. 3,851-1-0 p. m. as detailed below:-

In this connection please see notes from page 1 ante with particular reference to the portions side lined. The Afghan refugees in Baluchistan are under executive restrictions only and fall under the category of "followers" mentioned in paragraph 2 (ii) of the office note, dated the 6th March 1937 on pages 1-2 ante. It will be observed that the question of removing restrictions on the movements of Afghan refugees of the class referred to is already under consideration, and the further necessary action is held up for want of a consolidated list of such refugees, which is at present under preparation. As the point raised in paragraph 3 of the A. G. G. Baluchistan's letter is covered by the discussions on this file, it will be considered with the general question in due course.
M. I., 20-8-37.
K. P. S. MENON,-23-8-37.
Superintendent, 'N' Branch, asked me to let him have a note regarding the lines on which the clerk placed on special duty for Afghan refugee cases should work. My idea roughly is that all rules regarding Afghan refugees should be revised and
List A
List B
As regards the restrictions to which they are subjected, the position is explained in the lists referred to.
3. As these refugees have been residing in India for a very long time now, there may be many who would be reluctant to go back to Afghanistan. Nevertheless, we may perhaps send a copy of the lists in question (in print) to H. M.'s Legation, Kabul and ask them to consult the Afghan Gov-

ernment whether they agree to their return in principle. If they do, we could then take up the question of removing all restrictions on their movements with the ultimate objective of putting a stop to the grant of allowances to the descendants or dependants of the existing grantees on other death as contemplated in the concluding sentence in paragraph 2 of D. S. F.'s note, dated the 9th March 1937 above.
4. If the suggestion in paragraph 3 above is agreed to, further necessary action will be taken

after the lists and the explanatory notes have been printed up.

(4)
The fresh receipt below may be read with Serial No. (2) and the printed lists (Appendix I and II to Notes). It will be observed from Serial No. (2) that it is proposed to remove all restrictions at present imposed on the unimportant refugees (followers, etc.), and to stop the allowances on the death of the present holders. The Afghan Government, who have been consulted by H. M.'s Minister in Kabul, have asked for further information on the lines indicated in the F. R. below, before expressing an opinión. It may be explained that there are about 250 Afghan refugees of the class in question most of whom get no allowances from Government; nor

are they under any sort of restriction except the ban against crossing the frontier. It is therefore unnecessary to collect the information asked for in respect of such refugees. As regards the remaining refugees who are in receipt of allowances or under any restrictions, it will facilitate matters if the information called for were collected in a tabular form. Office have attempted to do this in so far as information is available in the annual returns of Afghan refugees, and a self-explanatory statement (Appendix III to Notes) according to the Provinces concerned has been prepared and is submitted, with particular reference to columns 6-11. The following remarks are offered :-

Column 6-The names of fathers have been given in all cases with a few exceptions, but it has not been possible to get the requisite information regarding ancestors in most cases. The local authorities will have to be addressed.

Column 7.-As regards the tribes, such information as is available from the annual returns has been given, but it has not been possible to get any information concerning the particular part of Afghanistan from which the refugees originally came. The present refugees in most cases are the descendants of the followers of the ex-Amir Sardar Md. Yakub Khan, etc., who took refuge in India about the year 1880, and it seems doubtful if they will be able to give the information required. In any case, we will have to ask the Provincial Governments concerned to collect the information for us, if possible, and incorporate it in its proper place in the statement.

Column 8.-These refugees originally came to India in the nineteenth century at different times with Shah Shuja-ul-Mulk, ex-King of Kabul, the ex-Amir Sardar Muhammad Yakub Khan, etc. If approved, we might make a general statement to this effect against this column, unless it is pro-

posed to make enquiries from each individual through the Provincial Government concerned.

Columns 9 and 10.-The information regarding (i) profession' and (ii) educational qualifica-
'
tions is not available from our records in most cases.
"
It may be explained that we get returns of educational allowances granted to the sons and grandsons of Afghan refugees, but it is not helpful as regards the refugees themselves. We might ask the Provincial Governments concerned to do the needful in this case also.

Column 11.-Necessary information has been collected from the relevant annual returns of Afghan refugees and filled in. Information regarding the families had already been given in the printed lists (Appendix to Notes). To this has now been added information regarding dependants (i.e., followers or servants).

If the above suggestions are approved, draft letters to the Provincial Governments concerned and the A. G. G. Baluchistan will be put up later.

2. As it is not proposed [Serial No. (2)] to remove the existing restrictions in the case of S. Ghulam Naqshband Khan and Sardar Amir Muhammad Khan who do not get any allowance from Government, it is not necessary to collect the information required in so far as they are concerned. Serial Nos. (42) and (43) at page 4 of the statement (Appendix III to Notes) have accordingly been scored out.

M. I., 17-2-38.

G. A. H., 18-2-38,

I suggest that it is not necessary to go to very much trouble to reply to the Afghan Government's queries. If I can be supplied with such information as is readily available I will discuss with the

F. M. on the lines that all restrictions on these refugees are being removed and we presume there is no reason from the Afghan Government's point of view why they should not be.
W. K. FRASER TYTLER,-23-2-38,
(H. M.'s Minister, Kabul).
In view of what is stated by Colonel Fraser Tytler in his note above, where is no need to ask for further information from the local authorities concerned as suggested in the office note, dated the 18th February 1938 above. A draft letter to H. M.'s Minister, Kabul is submitted for consideration. Routine draft to I. O, aslo added.
After issue, D. I. B. may see.

C. A. G. SAVIDGE,-10-3-38.
I think that if possible the following information might be added in the statement (a) amount of allowance (b) name of Afghan Notable of whom the refugee or his ancestor was a follower.
W. R. HAY,-11-3-38.

The list (Appendix III to Notes) has been amplified as desired, and the drafts below may now issue.
G. A. H.,-23-3-38.

(5) & (6) Issues.
(2)
Please see Serial Nos. (2), (4) and (5) and the relevant notes above. In the circumstances explained by Colonel Fraser Tytler in his demi-official letter below [Serial No. (7)], it seems inexpedient to remove immediately all restrictions at present imposed on the Afghan refugees of the

followers class, and the existing arrangements for their watch and ward will have to continue until the political situation admits of their being discontinued in the manner proposed in our demi-official letter to the Minister at Serial No. (2).
We may for the present, agree with the proposal made by the Minister at "A" in the F. R. below, but the whole question might be reconsidered after say six months or so, if possible. We may reply to the Minister as in the draft submitted for approval. Memo. to the I. O. also added. The position may also be explained to the A. G. G. in Baluchistan with reference to our demi-official letter at Serial No. (5). Draft submitted. After issue of the drafts, D. I. B. may see.

In view of the opinion expressed by Minister, Kabul, we must I am afraid, defer further action, for the removal of restrictions from the refugees until the political horizon clears. I have redrafted to Kabul and Baluchistan. D. I. B. may see after issue.
C. A. G. SAVIDGE,-3-5-38.
I am not sure that we need agree with H. M.'s Minister and I see no reason why we should not start releasing some of the more innocuous of the refugees. Have we a list of the refugees A whom it is proposed to release ?
W. R. HAY,-7-5-38.
The refugees from whom it is proposed to remove all restrictions fall in the following categories :-
*
*
*
**
*
*
(ii) Followers of the ex-Amir Yakub Khan,

S. Ayub Khan, etc., and
*
*
*
*
The list of the refugees mentioned at (ii) above will be found at Appendix I and II to Notes. In this connection attention may be invited also to Serial Nos. (4) and (5) and the relevant notes above.

As D. S. is of opinion that we need not neces-
sarily agree with the views of Minister, Kabul,
4
6
regarding the postponement of the removal of restrictions from the categories of Afghan refugees, I have re-examined the cases with a view to ascertaining which classes of refugees we may safely release from all restrictions.
2. The three categories of refugees from whom it is proposed to remove all restrictions are given in paragraph 1 of office note above. Categories 1 and 2 only remain to be dealt with at present. Of these two categories, I think that the refugees belonging to category 2, i.e., followers of Afghan notables who came to India, may be released at once. The names of these persons will be found in the list and their total number is 89. They are all at present under surveillance and none of them is restricted under Regulation III. They are unimportant refugees most of whom are in receipt of mere nominal allowances. It is very

unlikely that any of them will attempt to return to Afghanistan, and in any case they will still remain subject to the ban of crossing the frontier. Removal of the present restrictions from these unimportant followers will considerably reduce the work of the various Provincial Governments who have to undertake their surveillance.

3. *

4. If the above proposals are accepted, we may write to Minister, Kabul, and inform him that orders are being issued for the removal of all restrictions from those refugees who fall under the category of "followers". I do not think it will be necessary to obtain the concurrence of H. M. G. to the removal of these restrictions if it is confined to the unimportant followers mentioned above.

C. A. G. SAVIDGE,-17-5-38.

Will Secretary please see the noting above together with Serial No. (9) on this file? I fully agree with U. S.'s proposal so far as "followers" are concerned. It seems most unlikely that any of these men would or could cause any trouble in Afghanistan, and there seems no necessity whatever to tell the Afghan Government what we are doing.

H. A. F. METCALFE,-21-5-38.
Reference paragraph 1 of D. S.'s note, dated the 19th May 1938 above. We may now take up with the Provincial authorities concerned the question of the removal of restrictions imposed on the un-important refugees falling under the category of followers. The refugees of this class are residing in the U. P., the Punjab, Baluchistan and Sind. These may be dealt with seriatim :-
U. P. According to the U. P. return for 1936, the names of Afghan refugees who are to be re-leased from all restrictions except the ban against crossing the Frontier, are shown in the list at (Appendix II to Notes). They are 30 in number. From the latest return for 1937 since received, it appears that the U. P. Government have added a few more names of the sons of Afghan refugees, who are in receipt of educational allowances,

*
and also under surveillance. To avoid confusion therefore a fresh list (Appendix IV to Notes) has been prepared and is submitted. It shows 36 names including the 30 names specified in the list. We may now address the U. P. Government as in the draft submitted for approval.
Punjab. According to the list there are 42 Afghan refugees who are under some sort of restrictions by virtue of the allowances they get from Government. These restrictions are that they (stipendiaries) cannot without permission leave the district in which their allowances are payble, etc., vide paragraphs 9-15 of "Orders regarding Afghan Refugees". From the latest return for 1937 since received, it appears that all the refugees in the Punjab with the following exceptions, are at large-

At large, but in fact both
of them are not per-
mitted to visit or reside
in the N. W. F. P. and
Baluchistan.
While it is proposed to removed restrictions in the case of No. 152, it is not the intention so far as Nos. 153 and 154 are concerned.
Among the refugees residing in the Punjab, there are two descendants of the late Amir Sher Ali Khan, i.e., S. Abdul Kadir Khan and S. Abdus Samad Khan [Nos. 18 and 19]. Their cases are being dealt with on File No. 380 (4)-N./37 (linked).
In the light of the above explanations, a fresh list has been prepared (Appendix V to Notes) showing the names of the refugees from whom it is intended to remove all restrictions. A draft to the Punjab Government is submitted for approval.

Baluchistan.-According to the list there are 14 refugees in Baluchistan. The latest return for 1937 since received, has also been examined and there is no change. A draft to the A. G. G. Baluchistan is submitted for approval.
Sind. According to the list there are 3 Afghan refugees, who are under restrictions. From the latest return for 1937 since received, there are 6 refugees of which 1 is in jail. The

remaining 5 including Must. Shah Gul Bibi who
was transferred to Sind from Baluchistan last year,
are in receipt of allowances and under restrictions.
We may address the Sind Government as in the
draft submitted for approval.
2. It seems as well to tell the Minister what we
are doing. A draft demi-official letter is submitted
for approval. Routine draft to the India Office
also added.
3. After issue of the drafts, Finance Department
and D. I. B. may see. (Routine notes at page
4 ante have been brought on to regular notes).
M. I.,-18-6-38.
G. A. H.,-18-6-38.
I have checked carefully all the lists of refugees
from whom it is proposed to remove restrictions
and I think we may release them all forthwith.
I have recast all the draft which F. D. and D. I. B.
may see after issue.
C. A. G. SAVIDGE,-21-6-38.
Discussed with Secretary. In view of the present
crisis in Afghanistan, we cannot issue instructions
on the lines proposed for the time being. We must
wait until the situation becomes easier.

came to India with the late S. Muhd.
Ayub Khan and

Remarks.

Nos. 1, 10, 11 and 12 are brothers-in-law and No. 2 is nephew-in-law of the ex-Amir Yakub Khan. No. 16 is only a follower. The allowances shown against their names in the statement were sanctioned for them in July 1924.

Son-in-law of the late ex-Amir Sardar Muhammad Yakub Khan of Afghanistan. After the death of the ex-Amir in 1923, an allowance of Rs. 100 p.m. was sanctioned for him in July 1924. He is not detained under Regulation III of 1818, but prior to October 1936, his movements were restricted. He is on friendly terms with the present Afghan Government, and visited Kabul in 1936 on the occasion of the Jashan celebrations at the invitation of the Afghan Government. In view of this, restrictions on his movements were permanently withdrawn in November 1936. As a sequel to this, the question of the cessation of the allowance drawn by him was taken into consideration, but was dropped§.

2. He is on friendly terms with H. H. the Maharaja of Patiala and visited England in 1928 in company with him.

Illegitimate sons of Sardar Muhammad Yusuf Khan (No. 20). They do not receive any allowance from Government, but they are under surveillance, except No. 21 restrictions on whose movements were removed|| in 1932. No. 23 absconded from Dehra Dun in January 1931, and found his way to Chitral where he met his brother-in-law, Prince Ghazi-ud-Din, a son of the late Mehtar of Chitral. His flight had however no political significance, the object being merely to get away from the strict attitude of his father towards him

and from the unsatisfactory state of his official position in the Survey of India, where he served for a period of three years on a small pay of Rs. 20 p.m. He was eventually placed under custody and sent from Chitral to Peshawar en route to Dehra Dun towards the end of January 1931.

As these Afghan refugees are men of no political importance, all restrictions** on their movements were removed in September 1937 and surveillance maintained over them and their father was discontinued.

They are the sons of Qazi Abd-us-Salam, Khan-i-Mulla Khan, Chief Qazi of Amir Sher Ali Khan of Afghanistan, who died at Lahore on the 24th November 1902. The deceased was in receipt of an allowance of Rs. 800 p.m. a portion of which was distributed amongst his descendants and the following allowances were sanctioned†† for these refugees-

Nos. 39 and 40 are the legitimate sons by different wives and No. 41 is by a slave girl named Zebo. The higher allowance sanctioned for No. 39 is attributed to the fact that he was at the time considered to be the head of the family.
In addition to the allowance of Rs. 250 p.m., Government also sanctioned in the name of Qazi Abdul Azim Khan an allowance of Rs. 125 p.m. for payment to the other members of the family;

Of the allowance of Rs. 100 p.m. mentioned at (i) above, the Qazi, it was reported in February 1906, misappropriated funds to the extent of about Rs. 2,100*. This resulted in the issue of fresh. pension orders in favour of the real claimants.
In February 1906, Qazi Abdul Azim Khan, Abdul Halim Khan and Abdul Qudust were convicted under Section 353, I. P. C., for assaulting a public

servant in th execution of his duty in Rawalpindi, and sentenced to pay a fine of Rs. 500, Rs. 200 and Rs. 50 respectively. The former was at the same time suspected of complicity in the burglaries committed in the city and proceedings were taken against him under section 110, C. P. C. These proceedings had eventually to be abandoned in the absence of sufficient evidence to substantiate the charge.

In June 1921, Qazi Abdul Azim Khan applied for commutation of one-fifth of his pension in order to build himself a house in Lahore. This application was rejected as the G./I. were opposed in principle to commute the political pensions enjoyed by Afghan refugees in India. It was however agreed to grant him a house building advance instead.

In May 1926, it transpired that Abdul Alim Khan had been drawing in error the allowance of Rs. 50 p.m. sanctioned for his brother Abdul Hakim Khan, who died in November 1913. The excess payment amounting to Rs. 7,300 received by him was eventually written off in view of the straitened circumstances in which he was reported to be at the time.

Son of the sister of the late Sardar Muhammad Ayub Khan. During the life time of the Sardar, she and her son Abdul Kadir Khan were in receipt of an allowance of Rs. 600 and Rs. 100 respectively.

above. On S. Muhammad Alam's death in

1887, an allowance of Rs. 45 p. m. was among others sanctioned for S. Muhammad Anwar Khan. This allowance was increased to Rs. 54 p. m. in 1920. The father S. Muhammad Anwar Khan served Government as an E. A. C. and on retiring from Government service in 1927 was granted* a pension of Rs. 392-4-0 p. m. He was also granted for his life time an assignment of land revenue amounting to Rs. 600 p. a. with effect from the financial year 1928-29. On his death in March 1931, half of his allowance of Rs. 54 p. m. was continued to his son Faiz Muhammad Khan, who was 12 year old at that time, until he attained the age of 21 years. The Government of India however refused to accept the recommendation that the pension of Rs. 54 p. m. and the cash assignment of Rs. 600 enjoyed by his father be continued to him until he attains the age of 21.

In April 1937, S. Faiz Muhammad Khan sought permission to visit Kabul for one month in order to fetch his two sisters who are at present residing there. Of the two sisters, one is reported to be married while the other is betrothed to a cousin. Faiz Muhammad wished to oppose the marriage of the second sister. As any attempt on his part to remove his second sister from Kabul would have almost certainly resulted in bloodshed, the permission asked for was not grantedt.

Son of Abdul Qadir and grandson of the late Subedar Major Nur Muhammed Khan, Andari Ghilzai. The grand father was in receipt of an allowance of Rs. 30 p. m., which was continued in full to his son Abdul Qadir, after his death in 1916, in consideration of the deceased's excellent services to Government and the good influence he exercised over the fellow Ghilzai tribesmen who held the family in great esteemt. Abdul Qadir died

in September 1918. In view of the past services of the family, the full allowance enjoyed by Abdul Qadir was again continued to his son Inayat Ullah as a special case on the usual conditions of loyalty and good conduct.

Son of the late Mama Khwaja Muhammad Khan, who was a cousin of the late Sardar Sher Ali Khan, ex-Wali of Kandahar; vide remarks against Serial No. (83) below. The late Mama was in receipt of an allowance of Rs. 80 p. m. sanctioned in 1900, and on his death in 1918, an allowance of Rs. 55 p. m. was sanctioned for his son Muhammad Ibrahim in October 1919, on the usual conditions of loyalty and good behaviour and on the

Son of Sardar Sher Ali Khan§, ex-Wali of Kandahar, by his fourth wife. The latter was recognised by the

I

G./I. as independent ruler of that province in Afghanistan in March 1880. The authority then assumed by him was lost four months later, when Sardar Ayub Khan, brother of the ex-Amir Yakub Khan, advanced from Herat, and Sher Ali Khan afterwards showed little inclination to resume it. Immediately after the relief of Kandahar by General Roberts, Sher Ali Khan, while willing to give all the aid in his power for the restoration of tranquillity, expressed a desire to be permitted to retire to India as he had lost confidence in the people and as he felt little hope of restoring a good understanding between them and espace himself. Thereupon, he was given refuge in India and located at Karachi where he arrived on 27th December 1880. On his arrival in British territory he was accorded honourable reception,

treated with courtesy and distinction and granted an allowance of Rs. 5,000 p. m. Government also sanctioned an expenditure of Rs. 16,000 in fitting up a house and gardens, in the purchase of carriage and pair and other things calculated to increase his comforts. Owing to the increase in the number of his followers, he obtained on lease from the Karachi Municipality, a large tract of land lying to the north of Karachi, where he built residences for himself and his followers and constructed a well for his gardens.

The ex-Wali breathed* his last on 21st January 1897. Thereafter, half of his allowance of Rs. 5,000 was distributed among his family members, etc., including Sardar Shah Nawaz Khan, who received a pension of Rs. 200† p. m. sanctioned in November 1897. At the time of the distribution of his father's allowance, he claimed in vain to be the head of the family. He served as a Risaldar in the 7th Bombay Cavalry stationed in Fort Sandeman.
In 1926, he applied for an increase in his allowance, but the application was rejected.
Son of Sahibzada Abdul Baqi, Suleman Khel Ghilzai, who was in receipts of an allowance of Rs. 105 p. m. On the death of his father in 1897, he was declared to be the head of the family in accordance with the will left by the deceased, and granted and allowance of Rs. 400 p. m., which he is still drawing.
Sardars Ali Ahmad Khan and Muhammed Rahim

Khan were originally in receipt of an allowance of Rs. 25 and 50 p. m. respectively. As a result of the increased cost of living coupled with the high social status of the refugees in Baluchistan, their allowances were inter-alia raised** to Rs. 30 and Rs. 60 p. m. in April 1920.

.. S. Muhammad Hassan Khan is the son of S. Muhammad Ishaq Khan (an Afghan refugee in Baluchistan,) and great grand-son of the late Amir Dost Muhammad Khan. His father, who died* in February 1937, was in receipt of an allowance of Rs. 485 p. m., but the son is in receipt of no allowance; nor is he under any restrictions.
His father, S. Muhammad Ishaq Khan was at one time allowed by the Afghan Government to return to Afghanistan, but as he later on attached himself to the late Sardar Muhammad Ayub Khan, who was an open enemy of the Afghan Government, that Government declined to take him back.
*S. No. (2) in File No. 196-N./37.
He is the son-in-law of the eldest daughter of the late ex-Amir Muhammad Yakub Khan of Afghan-istan.
In early September 1937, he left Dehra Dun and arrived at Quetta with the object of proceeding to Afghanistan.
The
He is stated to be in straitened circumstances.
question of his return to that country is now under consideration in consultation with the

British Legation, Kabul.
Son of General Najam-ud-Din Khan. The allowance of Rs. 100 per mensem shown against his name is jointly enjoyed by the Sardar and the families of his brothers, the late Sardars Abdur Rashid Khan and Abdul Majid Khan.
Son of Amir Muhammad Azam Khan and grand-son of Amir Dost Muhammad Khan of Afghanistan. He was granted a temporary increase of Rs. 43-12-0 in his allowance, but it was stopped with effect from the payment for March 1933.||
Is a direct descendant, in the in the fourth degree, of Paindah Khan, father of Amir Dost Muhammad Khan of Afghanistan. While in Afghanistan, he alleges to have held the position of a "Darbar--i-Hazur" at the Court of Amir Habibullah Khan, and also served the Afghan Government in various other responsible posts. He abandoned his property and permanently left Afghanistan and reached Peshawar in June 1934. He left his country of origin because in 1923, his son Ghulam Nabi, aged about 15 years, died from the effects of a severe beating administered to him in the Nizami School at Kabul by the Turkish General Effendi Mahmud Sami. Upon the Sardar's complaint, an enquiry was instituted by Amir Amanullah Khan into the circumstances of the death of the boy, but for various reasons the Amir declined to punish the General. In view of his position and past services, the decision reached was considered by him to be incompatible with his dignity to remain any longer in Afghanistan.

Remarks.
The Afghan Government describe* him as a man of no political importance.
His request for the grant of an allowance was rejected in February 1925. He was, however, allowed+ to reside anywhere in India except the N.-W. F. Province and Baluchistan.
At the Sardar's request the question of the removal of ban on his residence in the N.-W. F. Province and Baluchistan was considered in 1932, but it was dropped, as the local authority concerned, did not agree.
He is related by marriage to His late Highness the Khan of Kalat§ who emphatically protested against his visit to Baluchistan. In view, however, of the straitened circumstances of the Sardar, he contributed a sum of Rs. 500 towards his maintenance expressing the hope at the same time that so far as he and his State were concerned this contribution would be regarded as a final quittance] and that no further application would be received from him for permission to enter Baluchistan.
In 1933 and 1934, he again raised the question of the grant of an allowance and the removal of ban on his residence in the N.-W. F. Province and Baluchistan, but his requests were not acceded** to.
In April 1937, the question of his residence in Baluchistan was again considered on the ground among others that the Khan of Kalat, who originally objected to his visit to Baluchistan,

was dead. As the present Khan of Kalat is also not in favour of permission being given, the matter was dropped+t.

The Sardar has two sons :-

(i) Ghulam Sakki Khan.

(ii) Ghulam Qadir Khan.

As regards (i), he made requests in March 1936, through the C. C. Delhi, for-

(a) grant of a maintenance allowance.

(b) employment,

(c) permission to visit the N.-W. F. and Baluchistan, and

(d) share of the diamond "Darya-i-Noor", belonging to his late grand-father Sardar Amin-ud-Daula Khan.

The requests at (a) and (b) were not acceded to. He was, however, permitted to visit the N.-W. F. Province, but not Baluchistan.

As regards the diamond, it was sold in America long ago by the owner, and the Government of India regretted their inability to investigate the claim.It

S. Amir Muhammad Khan
Remarks.
As regards (ii), the question of his return to Afghanistan was taken up with the Afghan Government in February 1937. They suggested that S. Ghulam Qadir should apply to the Afghan Consul-General in India, and the Sardar was informed* accordingly. Nothing further has been heard from the Sardar.
He is the son of Abdul Aziz Khan. Is described as a relative of the late King Nadir Khan of Afghanistan, and was deported to India in April 1930 on a charge of murdering Muhammad Usman Khan, ex-Governor of Kandahar. He was a "Ghund Mashar" in the time of ex-King Amanullah, and a "Firqa Mashar" in the time of Amir Habibullah in Kabul. His father, Abdul Aziz Khan, was "Khansamah Bashi (Steward) to the late Abdur Rahman Khan.
He is permitted to reside anywhere in India except the N.-W. F. Province and Baluchistan. He applied for the grant of an allowance, but the Government of India expressed their inability to help him in the matter.
33
In March 1937, Amir Muhammad Khan was permitted to visit Peshawar for a period not exceeding one month to enable him to effect recovery of certain of his debts.

MEMORANDUM FROM THE HON'BLE THE AGENT TO THE GOVERNOR GENERAL, RESIDENT AND CHIEF COMMISSIONER IN BALUCHISTAN, No. 4/31-RFG-1190-P.Z., DATED THE 17TH AUGUST 1937.

Reference orders regarding Afghan Refugees forwarded with Foreign and Political Department letter No. 410-F., dated the 20th October 1916 [P. No. 1 in File No. F. A. November 1916 (No. 1)].

2. Of the 18 Afghan Refugees under the control of this Administration particulars of whom are given in the Annual Return for 1936 forwarded with this Administration letter No. 3/27-RFG-198-P.Z., dated the 21st May 1937, Sardar Abdul Wahid Khan, Sardar Mohammad Ishaq Khan and Karam Khan (Serial Nos. 4, 11 and 17) have since died and Sardar Amir Mohammad Khan (Serial No. 7) has been permitted to return to Afghanistan (Serial No. 2 in File No. 250-N/
37). The remaining 14 are residing and drawing their allowances in Baluchistan and their movements are restricted under rules 9-12 of the orders referred to above.

3. It is understood that the object of Government is that Afghan Refugees should merge themselves in the general population, and become self-supporting,

It does not appear that the refugees referred to are any danger to the Afghan Government and it is therefore suggested for the consideration and orders of the
Government of India that the restrictions on them should now be lifted and that they should thereby be encouraged to live where they can find work in British India
and become ordinary pensioners on the simple conditions of loyalty and good behaviour.

LETTER TO HIS MAJESTY'S CHARGE D'AFFAIRES, KABUL, No. F. 380 (2)-N/37, DATED THE 23RD OCTOBER 1937.

I am directed to forward herewith two lists (Appendices I and II to Notes) that have been prepared of Afghan refugees in India whose political importance

has now practically disappeared. The first list contains the names of the followers
of ex-Amir Sardar Mohammad Yakub Khan and Sardars Mohammad Ayub Khan and Mohammad Hashim Khan and the descendants of such followers, and the second list contains the names of other unimportant refugees.
2. With regard to the first list it is proposed to remove all restrictions at once, and to let all the allowances lapse on the death of the present holders, unless there
are any very strong grounds for continuing them, and to inform the holders accord-
ingly. All these refugees or their ancestors have now been residing in India for between fifty and sixty years. None of them belong to the Royal family, and it seems most improbable that any of them can be regarded as a danger to the present Afghan Government.
3. It is proposed to deal similarly with refugees whose names are included in the second list except that in the case of Serial No. 155, Sardar Ghulam Naqshband
Khan, and Serial No. 156, Sardar Amir Mohammad Khan, it is not proposed at present to remove the existing restrictions. This list contains the names of a few unimportant Barakzai Sardars, but none of them appears likely to give any trouble
to the Afghan Government,

4. I am to enquire whether you have any comments to make on these proposals. There is no objection to your consulting the Afghan Government if you think it necessary to do so. The Government of India are most anxious to be relieved of the responsibility of watching and paying allowances to such a large number of
enitrely unimportant persons.
dio 5. The case of the more important Afghan refugees who are not included in these lists is being considered separately, and you will be consulted in due course
regarding the rules that it is proposed to draw up for their future treatment.

LETTER TO HIS MAJESTY'S MINISTER, KABUL, No. F. 380 (2)-N/37, DATED THE 1ST APRIL 1938.
add With reference to memorandum from the British Legation, Kabul, No. 187 dated the 31st December 1937 [Serial No. (4)], I am directed to forward herewith a statement (Appendix III to Notes) giving such information as is readily available
regarding the refugees who are in receipt of allowances from Government, and in
respect of whom it is proposed to remove all restrictions at once. I am to add that
it is not possible to furnish information regarding the names of their ancestors or to
say from which part of Afghanistan these refugees originally came. No information
is available in the majority of cases in regard to their professions and educational
qualifications. As regards the date of their arrival in India and their reasons for going there, it may be stated that the refugees in question are the followers or the
descendants of followers of previous rulers of Afghanistan or their near relatives (Shah Shuja-ul-Mulk, Shah Zaman, Amir Muhammad Yakub Khan, S. Muhammad Ayub Khan and Sardar Hasham Khan) who took refuge in India at various times, and that they or their ancestors probably entered India with their masters.

2. The Government of India would be glad if an early opportunity could
kindly be taken to discuss the question of these refugees with the Afghan Govern-
eldiro

ment, who might, it is suggested, be informed that all restrictions on them are being
removed, and that it is presumed that there will be no objection to this from the Afghan Government's point of view.

3. The Government of India will be glad to learn in due course of the action taken and its results, as they do not propose to issue orders until they hear further
from you.

MEMORANDUM.

The papers specified below were transmitted to the Secretary, Political Department, India Office, London, for the information of His Majesty's Secretary of State for India, under cover of the Foreign Secretary's letter No. 51-M., dated the 7th April 1938:-

Memo. from the British Legation, Kabul, No. 187, dated the 31st December 1938 [Serial No. (4)].

Letter to H. M.'s Minister, Kabul, No. F. 380 (2)-N/37, dated the 1st April 1938, with enclosure [Serial No. (5)].

EXTRACT FROM DEMI-OFFICIAL LETTER FROM LIEUTENANT-COLONEL W. K. FRASER
TYTLER, C.M.G., M.C., HIS MAJESTY'S MINISTER, KABUL, No. 361 (E),
DATED THE 5TH APRIL 1938.

I have been considering your demi-official letters Nos. F. 48-N/38 and F. 380 (1)-N/37, dated the 7th and 10th March 1938, respectively, on the subject of the release from detention or surveillance of certain Afghan subjects at present in India.

2. It seems to me that in principle the persons referred to therein could be released without much danger.

3. As it happens however no more unfavourable moment than the present could present itself for making an approach to the Afghan Government in a matter
of this sort. The Waziristan-Katawaz border is uneasy and a situation may very shortly arise which will give an opportunity to some refugee in India to stir up trouble against the Afghan Government. In addition we have the case of Muham-
mad Umar who is still at large and who has recently been reported to be somewhere on the Waziristan border. The Oriental Secretary's opinion is that we may before long hear more about this man as focus of anti-Afghan disturbance.

4. In such circumstances as these you will realise that any approach to the Afghan Government on the question of setting refugees at liberty is at present doomed to failure, and if we take action without consulting them we shall only excite suspicions that we are intriguing against them. I therefore propose to

defer further consideration of the question till the situation is a bit clearer and quieter. The same considerations apply at present to the refugees referred to in your official letter No. F. 380 (2)-N/37 [Serial No. (2)], dated the 23rd October 1937.
