14. 1. 91.

It is not quite understood what Major Newill means by "again"; we do not appear to have recd any official report of the Khan of Kelat's previous negotiations in this direction. It is also not quite clear why the matter has been made

I am quite sure I heard of it before. GHSL

XIV In continuation of my telegram of 10th instt: informing that Agents of the Khan of Khelat have come here to negotiate a marriage between the Khan and the Grand daughter of Saidar Nazar Mahd. Khan, it appears that the Agents invited Sardar Ayub Khan to attend the "Band Shikne" ceremony of betrothal, but he declined, and wrote that he did not approve of a Mahomedzai wedding with a Beluchi - he would prefer the girl marrying a poor man of her own caste. When this letter was read out the assembled Sardars and Afghans went away and said they would not attend the betrothal ceremony, unless the Sardar consented to it.
